Guest lecture on 'Geospatial Technologies held at Dr Ambedkar College

A guest lecture on 'Geospatial technologies in natural resources Management' was organised in Dr Ambedkar College on 3/2/2021 at 11 am. This lecture was held online and is a part of project Yatra - a journey through Nagpur, Vidarbha and Maharashtra. The talk commenced with the introductory remarks by Principal Dr (Mrs) B A Mehre. She welcomed the guest speaker and briefed the audience about the program Yatra. The guest speaker Dr GP Obi Reddy is a Principal Scientist at ICAR- NBSS & LUP. He spoke on 'Geospatial technologies and natural resources in and around Nagpur'. Dr Reddy told the students about various applications of remote sensing, GIS & GPS and how these technologies are related to us. He also told several measures about how India can improve

its geospatial readiness index in which at present India is at 25th position. He gave a deep insight on GIS and GPS technology and their uses in various fields. His talk highlighted on how all these technologies are beneficial to Nagpur region. His talk was interesting as he presented a lot of photographs of Nagpur Region through GIS and remote sensing. After the presentation students interacted with Dr Reddy and asked him a lot of questions. All the students enjoyed the session because it was something new for them, which is out of regular syllabus. The program was attended by about 107 students. The coordinator of the program was Dr (Mrs) Aarti N. Wazalwar, Associate Professor, Dr Ambedkar College. The event was hosted by student coordinators of Yatra Samruddhi Shahu, Rachi Meshram and Himanshu Bathav. In the end, Principal Dr (Mrs) B A Mehre appreciated the efforts taken by the Yatra team.

Guest Lecture on Multimodal Integration of Nagpur Metro'

A guest lecture on 'Multimodal Integration of Nagpur Metro' was organised at Dr. Ambedkar College on 4/2/2021at 11am. This lecture was held online and is a part of project Yatra - a journey through Nagpur, Vidarbha and Maharashtra.

The talk was commenced with the welcome address by Principal Dr (Mrs) B A Mehre. She welcomed the guest and briefed the students about Nagpur Metro. Introductory remarks were given by the chief guest Jai Prakash Dehariya, Executive Director, Signalling Maha Metro.

Mahesh Gupta, General Manager Signalling, presented the power point presentation on 'Multimodal Integration of Nagpur Metro'. He told the students about various advantages of Nagpur metro and why it has become the necessity of Nagpur today. He gave a detailed map of Nagpur Metro. He emphasised on how Nagpur Metro has become a world class amenity and that more and more students should use it. He gave in details about commuting by Nagpur Metro can be risk free and is safe for use. He told how it has been designed for providing comfort to the citizens of Nagpur. Metro officials also urged the students to use this mode of transportation as it cheap and has various advantages over two and four wheeler as it helps to reduce congestion and pollution. Jai Prakash Dehariya, Executive Director, Signalling Maha Metro, concluded the presentation. After the talk students came to know why it is called as green metro as it is totally eco-friendly. The program was attended by about 150 students. All the students enjoyed the session because it was something new for them, which is out of regular syllabus. Coordinator of program Yatra Dr (Mrs) Aarti N. Wazalwar interacted with the officials of Nagpur Metro and proposed the Vote of Thanks. The event was hosted by student coordinators of Yatra Samruddhi Shahu and Himanshu Bathav.
