REPORT

DEMONSTRATION ON “FLOWER MAKING AND DECORATION”

DATE: 10th January 2022

MODE OF CONDUCTION : ONLINE / OFFLINE

Entrepreneurship Development Cell of Dr. Ambedkar College Deekshabhoomi, Nagpur had organized a Flower Making and Decoration program through both online and offline mode via Google meet at 11 am on 10 January 2022 in the seminal Hall of Dr. Ambedkar College Deekshabhoomi, Nagpur.

The Guest for the program was Mrs. Mona Patriwar, a creative artist. Dr. Mrs Mehere, the principal of Dr. Ambedkar college inaugurated the program. In her formal address, she said that the Entrepreneurship Development Cell of our college is to promote entrepreneurship and self-employment amongst students as an attractive and viable career option. The main objective of this cell is to create among students a passion for self-employment. This will lead to create a new knowledge based innovative hi-tech ventures, industries and new breed of technopreneurs and more avenues of employment opportunities thus transforming job seekers into job creators ultimately leading the nation towards industrial excellence and self-reliance. The Entrepreneurship Development Cell of our college aims towards achieving the above goal.

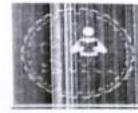

The coordinator of the ED cell, Dr. D. H. Puttewar was also present on the occasion. While addressing the students, she said that the Entrepreneurship Development Cell of our college aims at the overall development of students. With this deliberate aim, several activities are organized to acquaint the students and one such activity is to develop in students the creative arts which will help them to develop the artistic quality apart from studies. It is one of the essential qualities that must exist in every student. She encouraged the students to attend such programs which will benefit them in future.

The creative artist Mrs. Mona Patriwar gave the demonstration on flower making and decoration. She taught the students how to make different flowers like Lily, Rose, Zabera and

also the art of bouquet making. She gave information about the different materials like paper, wires, colors, sticks etc. required for the purpose of flower making. She beautifully arranged the flowers in the pot and also gave demonstration of bouquet made from the different flowers. Different questions were also asked by the students which were very well answered by her. The students also attended the program with much enthusiasm. The program was a great success. It was compered by the Ms. Anita Tirpude, Assistant Professor from the Department of English and also the program coordinator. The vote of thanks was presented by Ms. Swati Chimurkar, Assistant Professor from the Department of Biotechnology. On this occasion, Dr. Harshlata Pethe, Assistant Professor from the Department of Science was also present and Total students was 53.
