

DR. AMBEDKAR COLLEGE,

DEEKSHABHOOMI, NAGPUR

Entrepreneurship Development Cell
(Development Programme for Self-Employment)

REPORT ON WEBINAR CUM INAUGURAL PROGRAM

ON

“SKILL REQUIRED FOR SUCCESSFUL ENTREPRENEUR”.

Resource Person – Dr. Tushar Choudhari

Date: 05th October, 2021

Time: 12.30p.m.

The Entrepreneurship Development Cell of Dr. Ambedkar College, Deekshabhoomi, Nagpur had organized a Webinar cum Inaugural Function on 05 October 2021 at 12.30 pm on ZOOM platform via Internet due to the COVID-19 pandemic situation. Every year, Dr. Ambedkar College organizes a training programme under Entrepreneurship Development Cell with the objective of promoting entrepreneurship among the students thus nurturing a passion for self-employment and opening gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of techno-preneurs and more avenues of employment opportunities ultimately turning job seekers into job creators and in the process, leading the nation towards industrial excellence and self-reliance.

The Guest Speaker for the program was Dr. Tushar Chaudhari, Assistant Professor, S.K. Porwal College, Kamptee, Nagpur. The Program was inaugurated by the hands of the Guest Speaker. Dr. Mrs. B. A. Mehere, Principal Dr. Ambedkar College Deekshabhoomi, Nagpur in her address said, the Entrepreneurship Development Cell is a creative cell which help the students to imbibe in them the creativity. Students must learn new skills for the self-employment. The Entrepreneurship Development Cell of Dr. Ambedkar College will definitely help the students in learning hi tech skills which will be utilized by them in their development.

Dr. D. H. Puttewar, Assistant Professor and Co-ordinator of Entrepreneurship Development Cell and Convener of this Webinar gave the detailed information about the Cell. In her introductory speech, she said that Entrepreneurship education offers a solution. It seeks to prepare youth a responsible enterprising individual who become entrepreneurs or entrepreneurial thinker by utilizing their real life learning experiences where they can take risks, manage the results, and learn from the outcomes. She also discussed the advantages and opportunities of the Entrepreneurship education.

The guest was introduced by Mrs. Swati Paranjape, Assistant Professor from the department of Biotechnology and member of the ED cell. The guest speaker Dr. Tushar Choudhari while addressing to the students, said that every person cannot become entrepreneurs. In order to become entrepreneur, one must be imitative for their development. He must be creative and should have the

others. The Entrepreneur is a born leader who works towards achieving common goal. He further said that there are lots of people who think about becoming Entrepreneur but only 5 percent people are able to become the successful Entrepreneur. He shared the experiences of several entrepreneurs of how they overcome the failure for their success and growth. Further, he discussed about the qualities essential for the Entrepreneur. He said that the Entrepreneur has the ability to control his destiny. By being flexible and adaptable to the situation, a person's continuous efforts will definitely prove fruitful for him. An Entrepreneur should be a good communicator who can convince his customers and keep healthy relationship with them for a long time. Lastly, he threw light on the best business in the upcoming time like reversible resources, solar power, digital banking, Indian Automobile market, Textile market, etc. and gave information about the Maharashtra Center for Entrepreneurship Development Cell. He concluded his speech on a very positive note that success can only be achieved by encountering failures and ups and down in every walk of life.

Several Questions were asked by the students, which were very well answered by Dr. Tushar Choudhari. Dr. Harshala Pethe, the Organizing Secretary of Entrepreneurship Development Cell thanked Dr. Tushar Choudhari on behalf of the college for conducting such a wonderful and knowledgeable session. The program was compered by Ms. Anita Tirpude, Assistant Professor from the Department of English. On this occasion, Ms. Shweta Chimurkar, Assistant Professor from the department of Biotechnology and the students from different streams were also present. Total 78 participants of ED Cell were Present.

About College

Founded by the visionary Late Padmashri Dadasaheb Gaikwad in 1964, Dr. Ambedkar College, Nagpur (DACN) affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur is indeed a time-tested centre for higher learning. DACN is located in the heart of the orange city at Holy Deekshabhoomi where Bharatratna Dr. B. R. Ambedkar, the architect of the Indian Constitution, embraced Buddhism. DACN functions under the aegis of Param Poojya Dr. Babasaheb Ambedkar Smarak Samiti, Deekshabhoomi, Nagpur.

DACN originally began with a vision of becoming a seat of excellence in the education and took the first modest step in this direction in 1964 with the introduction of Arts and Commerce faculties. During the change of time, increasing inquisitive minds around the vicinity and explosion in scientific awareness encouraged us to introduce Science faculty in 1969. Those aspiring to wear the fabled Black Coat to fight for justice were provided the right opportunity when DACN started Law faculty in 1982. To keep pace with time, DACN also provided Management Education from 1984 till 1996, when a separate Management Institute was established.

About Webinar

Entrepreneurship is a process of discovery; the acting upon previously unnoticed and often marginal profit opportunities. The objective of promoting entrepreneurship among the students is to nurture a passion for self-employment. This will open gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of techno-preneurs and more avenues of employment opportunities, thus turning job seekers into job creators and in the process, leading the nation towards industrial excellence and self-reliance. The Entrepreneurship Development Cell of our college aims towards achieving this goal. The objective of this cell is to develop spirit of Entrepreneurship among the students. Activities of this cell include Creating Awareness Programmes, Mentoring Students, and assisting in getting financial support for Startups. This webinar will give the detailed knowledge about skills required to become a successful entrepreneur.

Entrepreneurship education offers a means to create a career path, particularly useful to the individual entrepreneur who may be hindered by financing. There is not a ready-made entrepreneur who they can only reap the rewards, and learn from the mistakes.

NSIC registers all Micro & Small Enterprises (MSEs) in India under the Single Point Registration Scheme to enable them to participate in government purchases.

SINGLE POINT REGISTRATIO

An entrepreneur is an individual who takes the risk to start their own business based on an idea they have or a product they have created while assuming most of the risks and reaping most of the rewards of the business.
