Remarks about the program

- Nice session and i am very interested in resine art
- It was superb
- This session was very good and I learned something new , I definitely liked it.
- This session was skillful and organized. It was very helpful which introduced me to the art which would be beneficial for my future. Thank u so much ma'am.
- I came to know a new art which has good scope.
- Can the sessions be of how to attend a interview and how to search for internships and job opportunities. Can the sessions be done on a regular basis like on every Saturday's.
- The session was good and interesting i would like to be attending such future sessions
- Excellent
- Nice session
- Good
- Got to learn something new
- Interesting session
