Subject: - LETTER FOR RADDI FROM YOUR INSTITUTE.

Sir/Maam ,

NAVTEJ is an initiative by Parindey Youth Foundation (PYF) which has been active for the past 8 years. It is a DIWALI celebration with under privileged children coming together from several orphanages across the city. We are organizing this event for approximately 400 to 450 children this year on 20th October, 2019 at AgrasenBhavan, RaviNagar, Nagpur.

Events like Singing, Dancing and Drawing competitions will be held for the children to showcase their talent. We will ensure that the day is filled with fun games and interactive learning activities.

We request your contribution for this cause enabling us to make required arrangements viz; transport (in order to commute the children from their orphanages to the venue and back), refreshments, gifts, sweets, cultural program, decor etc, to fulfill our basic objective of "spreading smiles".

As contribution, we would appreciate the involvement of the students and the staff of the institute through a "raddi collection drive". All the waste paper "raddi" collected can be donated to PYF in order to raise funds for the initiative.

Thanking You .

Regards,

Avi Agrawal
President,
Parindey Youth Foundation.

SOCIAL OUTREACH CELL

“Raddi Collection Drive”

DATE 17TH OCTOBER 2019

REPORT

The Social Outreach Cell of the College in association with “NAVTEJ” an initiative by **Parindey Youth Foundation (PYF)** conducted a ***raddi collection drive*** in which all the waste paper is collected and donated to PYF in order to raise the funds for the initiative. Under this initiative, PYF organizes a DIWALI celebration with under privileged children who comes together from several orphanages across the city. The event will be organized for approximately 400 to 450 children at Agrasen Bhavan, Ravinagar, Nagpur. Events like singing, dancing and drawing competition will be held for the children to showcase their talent. The day is filled with fun games and interactive learning activities.

Our college helped in this initiative by collecting waste paper from all the different departments. Students and faculties collected newspapers, old books, magazines, etc. and handed over to the PYF team. Once raddi collection drive is done, the raddi is sold and the money generated through this is invested in the event. The motto to carry this drive is to ***Shine Together*** to brighten up Diwali of ***Inspiring Little Champs*** by being one of the ***Lightening Lamp and Raddi Donor.***
