Vaccination Centre

A Report

Vaccination has been described as a deliberate attempt to protect humans against disease. During 20th century the practice of vaccination matured into routine vaccination of large population as a precautionary measure for a disease. During the past 200 years, since the time of Edward Jenner and his contribution in Small Pox vaccination procedure has controlled many epidemics with infectious diseases including current pandemic COVID-19 in many parts of the world. The importance of vaccines cannot be overstated as millions of people are alive today due to vaccines.

Equitable access to safe and effective vaccines is critical to end the COVID-19 pandemic. So it is hugely encouraging to see many vaccination Centers in various parts of the city for early prevention of the disease. Keeping this in mind and to contribute for a national cause on 3rd July 2021 Parampujya Dr. BabaSahebAmbedkarSmarakSamiti, Nagpur, Sports Academy, Dr. Ambedkar College, Social Outreach Cell, Dr. Ambedkar College and Nagpur Municipal Corporation (NMC) have taken an initiative to open vaccination Centre in Deekshabhoomi Premises which was inaugurated by Bhadant Arya NagarjunSuraiSasai, President Parampujya Dr. BabaSahebAmbedkarSmarakSamiti, Nagpur. 170 vaccination were provided on the very first day.

Mayor Dayashankar Tiwari, Nagpur Division, DrSudhirFulzele, Secretary, Parampujya Dr. BabaSahebAmbedkarSmarakSamiti and Director of Management Studies, Dr. Ambedkar College, Deekshabhoomi, Nagpur, PallaviShamkule, Chairperson of the NMC, LaxminagarZone, Dr. SarojKuthe, NMC Medical Officer, Members of SmarakSamiti - Advt. AnandFulzele, Dr. RajendraGavai, Advt. M.M. Yevle, N.R. SuteSaheb, Vilas GajghateSaheb, D.G. DhabadeSaheb, Dr. BhuvaneshwariMehere, Principal, Dr. Ambedkar college, Deekshabhoomi, Nagpur, Coordinator of the Centre Dr. A.P. Joshi, Vice principal and Director of Sports Academy of Dr. Ambedkar college, Deekshabhoomi, Nagpur, Members of Social Outreach Cell has graced the occasion.

Mayor Dayashankar Tiwari congratulated the members of SmarakSamiti for the greatest initiative taken by them. Dr. Sudhir Fulzele has talked about how the initiative is an attempt to support the Government and is a great effort to fight the pandemic. Covishield vaccine is available with the Centre. All the citizens can take the advantage of the Centre for getting vaccinated for free.

Since it's not the vaccines that will stop the pandemic, it's the vaccination. We must ensure that fair and equitable access to vaccines and also make ourselves assure to get vaccinated to attain herd immunity.

Glimpses of Vaccination Centre
