Workshop for Nonteaching Staff On

“Process of Standardization of Instruments”

Date: 20th July 2021.

Report

Department of Chemistry organized a workshop for non teaching staff members on 20th July 2021. Prof. Dr. Deepa Panhekar, HOD, Chemistry guided the members on **“Process of Standardization of Instruments”** during the workshop.

During the hands-on training, Prof. Panhekar explained how to practically use the instruments like conductometer, potentiometer, colorimeter, how to calibrate them, reasons for fluctuations in the reading, proper maintenance of cells for longer life etc . She also explained how care has to be taken before practical and after the practical, cleaning of cuvettes for colorimeter and spectrophotometer etc. She also explained how to check the working of terminals used in the instruments.

The vote of thanks was given by Mr. Umesh Patil. The program was attended by the all the non teaching staff members Mr. Manoj Neralwar, Mr. Suresh Chavhan, Mrs. Bhuvaneshwari Maheshkar, Mrs. Manjusha Shende, Mr. Umesh Patil and Dr. Shridhar Satpute along with teaching staff Dr. R. C. Sawant and Mr. Parag Panse.
