Report:

The Lifeline Services Cell of Dr.Ambedkar College, Deekshabhoomi,Nagpur organized a program on "Cancer Awareness" in Collaboration with Indian Cancer Society, Nagpur on 20th August 2019. This program was conducted to create awareness about rising instances of Cancer in the society and to inform students about the lifestyle changes and precautions one must take to minimize the chances of cancer. In turn the students could help motivate their friends, family and society at large to undergo the positive changes in lifestyle and help in Cancer Prevention.

The lecture was delivered by Dr. Deshpande, an expert Oncosurgeon, in the prominent presence of Dr. M. B. Rathi, Ex-President, IMA. A large number of students attended the program and participated in the question answer session in which Dr. Deshpande delved into the common misconceptions amongst the students/people about cancer and was very enthusiastic in answering all their queries.

Dr. Jitesh Tripathi, Co-ordinator, Lifeline Services cell, introduced the guests at the beginning. The program ended with the vote of thanks to the Guest speakers, faculties and the students present in large numbers for making the program successful.
