

DR. AMBEDKAR COLLEGE DEEKSHABHOOMI, NAGPUR-10

NATIONAL SERVICE SCHEME

NAME OF THE PROGRAMME: AIDS AWARENESS PROGRAMME

DATE OF THE PROGRAMME: 01 DECEMBER 2019

RESOURCE PERSON : DR. MILIND BHRUSHUNDI

I AM YOUNGER BUT NOT SENSELESS –

Sex is the essential need for humans. If this is true all the students should get aware of the sex education. Today's need is that students should discuss the sex education without fear. HIV is a virus responsible for the AIDS. Due to the depression, students go for sexual relationship. I am younger but not senseless, expressed by Dr. Milind Bhrushundi.

NSS of Dr. Ambedkar College organized a World AIDS Day program in the college. Prof. R. V. Patil, Principal of the Dr. Ambedkar College presided over the function. Param Poojya Dr. Babasaheb Ambedkar Smarak Samiti Member Shri. Vilas Gajghate, NSS Program Officer Dr. Ravindra Tirpude, Dr. Ratnadeep Sawant, Lt. Sujit Chavhan, Associate NCC Officer, were present on this occasion.

Dr. Bhrushundi further expressed that in every hour approximately 200-300 people get infected by HIV Virus. So awareness should be made in the people about this deadly disease. In every college AIDS Awareness Cell should be made and the disadvantages of the diseases should get discussed with each other through this cell. For controlling this virus attack on humans everyone should take the social responsibility expressed by Samiti Member Shri Vilas Gajghate. Shri Gajghate also provided the details of the activities organized by college.

Prof. R. V. Patil said that people's mind have many misunderstandings about the AIDS. For spreading AIDS some people give injection at railway station or any other place is not true. AIDS doesn't spread through such activities. The program was compered by Dr. Ravindra Tirpude, Dr. Ratnadeep Sawant and vote of the thanks was proposed by Lt. Sujit Chavhan.
