

DR. AMBEDKAR COLLEGE, DEEKSHABHOOMI, NAGPUR-10

National Service Scheme

Name of the Activity : WALKATHON-WALK FOR YOUR BRAIN

Date of the programme : 15-12-2019

Number of participants : 56 (Boys-26; Girls-30)

WALKATHON-WALK FOR YOUR BRAIN was a programme organized in association with Indian Academy of Neurology in view of The National Brain Week. World-known neurologist, Dr. Chandrashekar Meshram was the chief guest for the program. Volunteers of NSS in the college participated in the programme enthusiastically. The walkathon was flagged off by Dr. Meshram and it was followed by a lecture on understanding the human brain, its functioning and how better can a particular approach be developed in order to have a healthy brain. Winner were given prizes by the guests. The programme was open for all and civilians also took part in the walkathon.
