Department of Physics

Physics Fest

Day -1 -Traditional Day (Guest Lecture)

Date – 17th 2023 March

Hosted By- Department Of Physics

Department Of Physics ,Dr .Ambedkar College ,Deekshabhoomi Nagpur, organized a 3-day Physics Fest from 17th- 19th March 2023.The Fest started from 17th March 2023 . Theme For the Day was Traditional Day representing Indian Tradition. The Fest was Inaugurated at the hands of Principal Dr. B.A.Mehere, Chief Guest and guest speaker, Dr.Jitendra Ramteke and Head of Department of Physics Dr. Mrs. A.N Wazalwar. the fest builds team spirit, leadership qualities and coordinating capacity among students. The program proceeded by distributing Yatra prizes to the winners. Further the chief guest also delivered a valuable speech.

In his speech he gave much more importance to convectional and non-conventional energy sources, solar energy, wind energy, bio energy and tidal energy.

After completing guest lecture, tradition folk dance performance was performed by two 1st yr students . Further refreshments were provided to all students and Indian states traditional

ramp walk was conducted and all students participated and enjoyed the Event.

Day 2

Sports Day

On 18th of march 2023,department of physics organized sports day, under Physics Fest. On the college sports ground. Dress code for the day was black t-shirts for 1st years students, white t-shirts for 2nd years students, and red t-shirts for 3rd years students.

The event started with cricket , first match was between first year and third year .

3rd year won the match and qualified for finals. Second match was between 1st years and 2nd years students , 2nd year won the match and entered for finals . Final match was among 3rd year and 2nd year students and the winner was 2nd year students .

After Cricket , Football Match Was Conducted Between 1st And 2nd Year Students , 1st Year Won The Match .

With The End Of This Intensified Matches ,Refreshments Were Provided To All The Students .

After The Refreshment Break Tug Of War Started , First Round Includes , First Tug Of War Was Between 1st Yr And 2nd Yr , And The Winning Team Was 1st Yr , 2nd Round Winners Was Again 1st Year Students Among 1st Yr And 3yr.

Final Round Was Between 2nd And 1st ,Again 1st Year Won By Astonishing Scores.

After Completing All The Games And Prize Distribution Ceremony , Ice Creams Were Provided To All Students .

Day 3

On 19th of march 2023,it was day 3 of Physics Fest, the western day event was held in college auditorium . The event was organized to encourage students for extracurricular activities and to show their talents. The event started by 11 am with amazing dance performance. There were so many dance performances prepared by students, participation by the students was beyond belief , they were exhilarated and sprightly. One skit was prepared by first year students on the current political topic to spread political awareness within the society.

after completing all the dance performances and skit , games were conducted by Shrutika Patinge to entertain all the audience . the game was fascinating and people loved to be part of it.

After games, music system was played for enjoying music and dancing . Further by the end of the event lunch was organized systematically placed . After finishing lunch students clicked some pictures with one another and created beautiful memories in this three day which they will never forget in their lives. Head of the Department Dr. Aarti Wazalwar, Dr Nandu Meshram, Dr Amit Bansod, Dr Priti Surkar, Mr Yograj Chaudhari, Ms Sayali Dakhole supported and encouraged the event.

How did you like the program?
9 responses

- It was fun and entertaining program.
- The organization was very good
- 👍👍
- I liked many things in physics fest first is sports and second is dance program
- I have not attended.
- Very much
- Yes
- Got to spent quality times with friends and gave me an opportunity for open stage performance
- I was not it but better

I was not it but better

Were you satisfied with the program?
9 responses

- Yes
- Yes I am satisfied.
- Yes
- Yup
- No because all students can't participate in it.
- Yes, it was kind of amazing
- Yes,

What did you like the most about the program?

So amazing behaviour & most important thought about sir

Which other topic would you like to be discuss in the next guest lecture?
8 responses

- Related to practical physics in daily life
- Future plans
- Dream
- I haven't attended
- Extra curricular activities
- Pollution
- More about entrance exams after graduation
- I don't know

What other program do you wish to conduct in the department?
8 responses

I don't know

What other program do you wish to conduct in the department?
8 responses

- More like fest and exhibition
- Program bht hore hai abhi padhai kr lete hai 🙄
- Singing
- Group studies
- Events based on physics
- Something like this.
- Quiz competitions and some games
- Physics Department

Do you have any suggestions?
