

Dr. Ambedkar College, Deekshbhoomi, Nagpur

Department of Chemistry

American Chemical Society International Student Chapter

American Chemical Society, Washington has sanctioned a Chemistry Festival 2020 proposal submitted by ACS International Student Chapter, Dr Ambedkar College. ACS has approved a fund of \$ 1500 to organise the event. Originally this event was to take place in December 2020. Due to COVID 19 situation the event has been postponed to February 2021. Chapter has named this event as CHEM-INSPIRE 2020.

In this event ACS student members will be visiting schools and perform experiments/demonstrations to present chemistry in an interesting and innovative way. The objectives of CHEM-INSPIRE 2020 are:

Objectives :

- To encourage students to take interest in chemistry classes.
- To encourage students to develop curiosity and scientific spirit.
- To create awareness among students about future career prospect in the fields related to Chemistry.
- Projecting chemistry as a beautiful & interesting option to solve world problems.

ACS Washington has congratulated ACS International Student Chapter Dr Ambedkar College for writing a strong proposal.

Dr Deepa Panhekar, HOD Chemistry and Faculty Advisor, ACS Chapter, Dr R C Sawant, Assit. Prof., Mr Parag Panse, Assit. Prof. Ms Sneha Burse, Chapter President, Ms Ankita Lokhande ,Vice President, Ms Swarnima Burande ,Secretary, Mr Harshal Nakade, Treasurer , Ms Jahnavi Gawande, Mr Badal Kathane ,Ms Aishwarya Ashtankar , Ms Janki Parvadiya, Ms Shruti Rathi, Ms Shriya Thakre along with executive committee of 2019 ACS Intl. Student Chapter Dr Ambedkar College worked hard towards drafting a proposal.
