Report of Aptitude Test

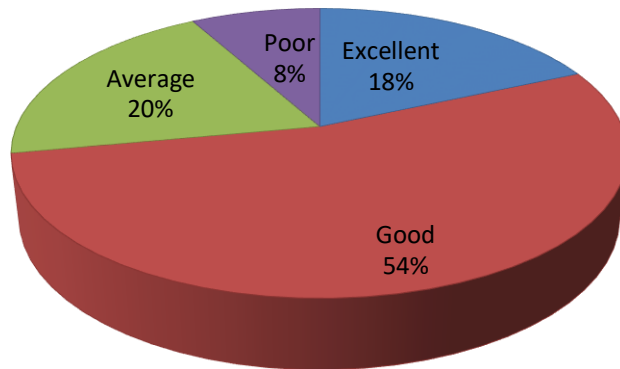

Date of Aptitude Test: 29/10/2020

Department of Chemistry organized the Aptitude test for newly admitted students of B.Sc. SEM-I on 29th November 2020. The objective of this aptitude test is to identify students with talent and test the understanding and analytical ability of the **student**s about Chemistry. Online multiple Choice Questions (MCQs) type questionnaire is designed from all branches of Chemistry, namely, Inorganic, Organic and Physical Chemistry based on 11th and 12th standard syllabus of chemistry. The test was conducted through Google form. Total of 136 students of Chemistry from B.Sc. SEM-I participated in the aptitude test. The result of the aptitude test was analyzed and accordingly, the students are divided into four categories as Excellent, Good, Average and Poor. The departmental faculties use these results to provide extra attention towards the average and poor students throughout the session. The aptitude test was designed, conducted and evaluated by Dr. N. G. Telkapaliwar, Dr. Mrs. D. M. Borikar and Dr. V.M. Shivankar.
