CHECK-UP CAMP
REPORT

Department of Biochemistry & Biotechnology organized a camp on **“BLOOD GROUP DETECTION AND MEDICAL HEALTH CHECK-UP”** for all students of various stream (BA, B.Com., B.Sc. Part I) from 30th August 2018 to 7-09-2018 at the Departmental laboratory. Around 280 students participated in the camp and Dr.Vaibhav Wairagade examined the students and counseled them about their health hygiene and diet.

Medication and ailments are also provided by the department to all students free of cost. All the teaching and non teaching staff of the department enthusiastically participated in the camp.

The records were maintained for the negative blood groups which are rare and required by the blood banks. These records are also sent to the Sainath Blood Bank, Ramdaspeth, Nagpur.
