DEPARTMENT OF BIOCHEMISTRY AND BIOTECHNOLOGY

DNA Day 2019

Report

Dr. Ambedkar College, Deekshabhoomi, Nagpur celebrated **DNA Day 2019** on 9th March 2019. A popular lecture on **DNA Sciences and Genomic technologies** was delivered by Mr. Rohan Thaware, Assistant Professor of Department of Biotechnology and Biochemistry.

In this lecture he emphasized about the use of scientific method in discoveries made in Genetics and Genomics. He also encouraged students to learn about DNA and genomic sciences. A poster competition was conducted where art posters were displayed by the students on various topics. The posters were judged by Mrs. B. A. Mehere and Dr. Deovrat Begde.

Anjali Pardhi, B.Sc. SEM II Biotechnology secured first position .Second position was secured by Ayushi Jambhulkar BSc II SEM Biotechnology. At the end vote of thanks was proposed by Ms. Swati Chimurkar.
