**World Alzheimer's Day programme-2019
21 September 2019**

Department of Biochemistry and Biotechnology organized a Guest lecture of Dr. Sanjay Ramteke, Jaslin Hospital, Nagpur on the occasion of World Alzheimer's Day **on 21st September 2019 at 09:30 am** in College Auditorium.

Around 200 students from different schools, colleges and faculty members belonging to the field of Biological sciences (Biochemistry, Biotechnology, Botany and Zoology) attended the guest lecture. The program was inaugurated with garlanding the portraits of Tathagat Gautam Buddha and Dr. Baba Saheb Ambedkar by enlightening the lamp by Dr. Sanjay Ramteke, Chief Guest of the programme along with Mrs. B.A. Mehere, Head of the Department and the coordinator of the programme Mr. Pradip Hirapure, Assistant Professor, Biotechnology. Dr. Sanjay Ramteke was welcomed by offering a sapling by Mrs. B.A. Mehere, Head of the Department.

In his lecture Dr. Sanjay Ramteke very well explained the basic cause, symptoms and mechanism of Alzheimer disease and also its harmful effects on day today life of patients. He also emphasized on the prevalence of these disease in our country as well as its scenario around the world. He explained the treatment and handling of the patients suffering from this disease by giving various examples. He pointed out that excessive use of tobacco alcohol or any type of addiction even excessive use of social media can lead to the increased degeneration of neuronal cells leading to the disease. He guided all participants by explaining different preventive measures.

He pointed out that there is a need of research to explore and manage this disease. The programme was concluded with vote of thanks proposed by Mr. Pradip Hirapure, coordinator of the programme. All the faculty members enthusiastically involved to make this programme a great success.
