**RESEARCH METHODOLOGY AND STATASTICAL APPLICATION**

**(28 & 29 JANAURY 2020)**

**This is to inform that all the students of MSc students and graduates of Statistics Department that a two days' workshop on RESEARCH METHODOLOGY AND STATASTICAL APPLICATION will be held on 28 & 29 JANAURY 2020.**

**This workshop is very important for all the participants to enhance the knowledge in the field of research design, research methodology and statistical analysis of research data. This will be essential while writing research publication for high impact journals. So kindly accept this opportunity.**

**This workshop is compulsory for all MSc Biotechnology & MSc Biochemistry students.( By order H.O.D.)**

**The course fee:- Rs. 200 only**

**Intake capacity: 50 participants only**

**RESEARCH METHODOLOGY AND STATISTICS**

Department of Biochemistry and Biotechnology and Department of Statistics jointly organized a two day workshop on the topic “Research Methodology and Statistics” on dated **28-01-2020** and **02-02-2020**.

Around 70 students and faculty members belonging to the field of sciences (Biochemistry, Biotechnology, and statistics) attended this workshop. The program was inaugurated with garlanding the portraits of Tathagat Gautam Buddha and Dr. Baba Saheb Ambedkar by enlightening the lamp with the hands of Chief Guest Dr. Ashish Linge, Associate Professor, C.P. & Berar College, Nagpur along with president of the function Principal of the college Prof. R.V. Patil, Dr. Mrs. B. A. Mehere, Head of the Department of Biochemistry & Biotechnology, Dr. Anjali Badar, HOD Department of Statistics and the coordinator of the workshop Mr. Pradip Hirapure, Assistant Professor, Biotechnology, co-coordinator of the program Mrs. Shweta Paranjape Assistant Professor, Biotechnology. Dr. Ashish Linge was welcomed by offering a sapling by Mr. Pradip Hirapure, Prof. R.V. Patil was welcomed by Dr. Mrs. B. A. Mehere.

This program started with the welcome address by Dr. Anjali Badar and Prof. R.V. Patil expressed his views regarding this workshop and Dr. B. A. Mehere gave vote of thanks. Followed by this the chief guest of the program delivered his lecture on research methodology, scope of statistics in research. In his lecture he explained the introduction to research methodology, hypothesis formulation and in the practical sessions he explained introduction to biostatistics and descriptive statistics with MS-excel. The Program was hosted by Ms. Rita Lakkakul, Assistant Professor, and Biochemistry.

On the second day of research he explained sampling methods, different methods and tools of research and in the second sessions of the same day he took practical sessions on correlation and regression and test of significance. The day ended with a valedictory function which started with garlanding the portraits of Tathagat Gautam Buddha and Dr. Baba Saheb Ambedkar by enlightening the lamp. Mr. Rohan Thaware, Assistant Professor, Biotechnology gave a brief note on two day workshop and also stated about how Dr. Linge made the subject so simple and easy to understand for the participants of the workshop. After this the participants of the program gave their feedback on the workshop. Dr. Ashish Linge distributed the certificates to all the participants of the workshop. Mr. Pradip Hirapure offered a certificate and a memento to the chief guest of the program Dr. Ashish Linge. The program ended with the vote of thanks by Mrs. Shweta Paranjape, Assistant Professor Biotechnology. Ms Swati Chimurkar Assistant Professor Biochemistry hosted the event. All the faculty members and the participants enthusiastically involved to make this programme a great success.

All the teaching, non-teaching members-Mr. Avinash Chavhan, Mr. V. Baisare, Mr. S. Vyawahare, Ms. Leena Kamble, Mr. Luvkush Rathod and the participants enthusiastically involved to make this program a great success.
