Online Webinar and Quiz competition

Wednesday, 25th November

Organized by

Seeding Labs DACN

&

**The Department of
Biochemistry & Biotechnology**

Date: 25th November

REPORT

On 25th November an Online activity was organised by the Seeding labs for the First year B.Sc. students. The activity included an Introductory webinar and a Quiz competition.

The first Round of Quiz was taken on 24th November at 4:00 pm on Google forms. The first round of Quiz contained 30 questions at participants had to solve it under 30 mins. Total 37 students of first year attempt the Quiz.

On 25th November the webinar and final round of Quiz happened. At webinar Dr. Deovrat Begde sir and Dr. Rohan Thawre sir were present.

At the start of webinar Deovrat sir gave an overview and introduction of Seeding labs DACN and what we do in it for the benefit of students. After that Rohan sir gives an Presentation on the topic

“What is science and what scientists do?”.

Post Presentation and the introductory session, the final round of Quiz was conducted. Ms. Anjali Paradhi from 3rd year hosted the Quiz. The Quiz was conducted on online platform “Slido.com”.

Following were the Winners of Quiz Competition

Winner :- Sayali Chakre

First runner up:- Janhavi Durne

Second runner up:- Mrudul Gaurkhede
