**DNA Day - 2021**

**A Report**

Dr. Ambedkar College, Deekshabhoomi, Nagpur celebrated DNA Day 2021 on Friday, 12<sup>th</sup> February 2021 on zoom platform. The DNA Day was made into an official observance on 25<sup>th</sup> April every year by the U.S. Congress, it was celebrated at Dr. Ambedkar College on 12<sup>th</sup> February 2021 on the birth anniversary of Charls Darwin due to examinations in April. The day commemorates the 50 year anniversary of James Watson and Francis Crick's discovery (and published article) of the Double Helix, as well as the completion of the Genome Project which took 13 years to complete. The program begun with the welcome address by Dr. B.A.Mehera, Principal and Head department of Biochemistry and Biotechnology, Dr. Ambedkar college, Deekshabhoomi, Nagpur. A popular lecture on DNA Sciences and Genomic technologies was delivered by Dr. Ashok.B.Dongre, Emeritus Scientist C.I.C.R. Nagpur. In this lecture he emphasized about the use of scientific method in discoveries made in Genetics and Genomics. He also encouraged students to pursue research and explained them its significance in student life as it helps them to have a detailed analysis of everything. When you have a proper in-depth analysis of any topic, the result comes out to be fruitful and also the knowledge is enhanced, he said. A huge number of students from B.Sc and M.Sc streams and all the faculty members participated in the event enthusiastically. Finally, a vote of thanks was given by Rohan R. Thaware at the end of the session.
