

Dr. Ambedkar College, Deekshabhoomi, Nagpur

Department of Biochemistry and Biotechnology

Notice

This is to inform all the teaching and non-teaching staff that to commemorate the Birth Anniversary of Late Dr. Saibal Biswas, the department of Biochemistry and Biotechnology is organizing Tree Plantation Program. The activity will be conducted at Dr. Ambedkar College, Deekshabhoomi, Nagpur on 31st July 2021 at 1pm.

All faculty members from the department are requested to bring a tree of their choice and plant in the garden. Kindly prefer Fruits, Flowering and Medicinal trees to support diversity.

HOD 29/07/2021.
Dr. Udal Dougee.

Department of Biochemistry and Biotechnology,
Dr. Ambedkar College, Deekshabhoomi, Nagpur

TREE PLANTATION IN THE MEMORY OF LATE Dr. S. K. BISWAS

Trees contribute to the **environment** by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. They also are important part of every community, our streets, parks, playgrounds and backyards when lined with trees create peaceful, aesthetically pleasing environment. They increase our quality of life by bringing natural elements and wildlife in the urban environment and this is acknowledged in the Governments Sustainable Development Strategy.

Throughout the world, about **900 million trees** are cut down annually, **Twenty nine million, eight hundred thousand trees** (29,800,000) are cut down every day in the world. Annual tree mortality ranges from 1 to 3%, so approximately **14,000-45,000** of these trees will fall every year. About **50,000 trees** should be planted every year in the study area to ensure that the city's tree cover does not fall below its current level.

In order to create awareness amongst youngsters, Dr. Ambedkar College, Deekshabhoomi, Nagpur has conducted tree plantation program in the memory of Late Dr. S. K. Biswas, former H.O.D of the department of Biochemistry and Biotechnology on 31 July 2021. All the faculty members, non-teaching staff members of the Department, Registrar of the college Dr. Arun Joseph has participated enthusiastically in the programme and planted different flowering, medicinal and ornamental plants.

Valuable efforts has been taken to organize the above programme by Dr. B. A. Mehere, H.O.D, department of Biochemistry and Biotechnology and all the teaching and non- teaching staff.

"WHEN ONE PLANTS A TREE ONE PLANTS THEMSELVES. EVERY ROOT IS AN ANCHOR, OVER WHICH ONE RESTS WITH GRATEFUL INTERESTS AND BECOME SUFFICIENTLY CALM TO FEEL THE JOY OF LIVING"

— JOHN MUIR

GLIMPSES OF TREE PLANTATION ON DATED 31-07-2021
