Topic: "Science Fair 2022"

By

Seeding Labs

Date: 06 March 2022

REPORT

Department of Biochemistry and Biotechnology along with Seeding labs of Dr. Ambedkar College, Deekshabhoomi, Nagpur organised an event "**Science Fair**" under which two competitions were held: **QUIZ COMPETITION** & **POSTER COMPETITION** for students from different schools and colleges on **6th March 2022**. Around 68 enthusiastic students (52 participants of Quiz Competition and 17 participants of Poster Competition) from different schools and colleges in and around Nagpur participated in this event. All the covid-19 guidelines were followed properly and no huge gathering took place as the event was organized in online mode.

Winners for Quiz Competition are: From 5th to 9th std – **Deepti Chavhan**.

From 11th to Final year – **Deepak Mahato**.

Winner for Poster Competition is: **Mrunali Gatade**.

The aim of this event was to bring back the enthusiasm and excitement of the students that they have lost in this pandemic. The success of the event was evident from the degree of satisfaction of all the participants shared with the members of Seeding labs-DACN, BBS, India.
