Alumni Meet 2022

NOTICE

Department of Biochemistry and Biotechnology is organizing a Alumni meet, which will be held on Sunday 27th March 2022 between 11 Am to 2 PM via online and offline mode. All faculty members are requested to come on 27th March at 10:30 Am in the department.

HOD 15/03/2022.

**HEAD
DEPARTMENT OF
BIOCHEMISTRY & BIOTECHNOLOGY
DR. AMBEDKAR COLLEGE,
DEEKSHA BHOOMI, NAGPUR**

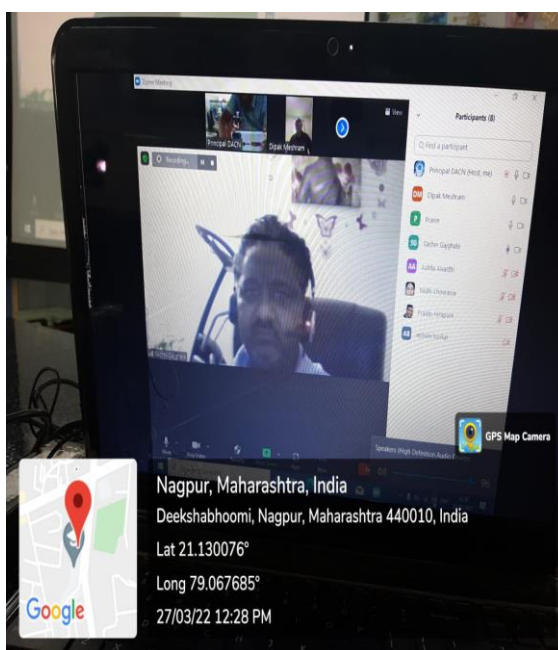

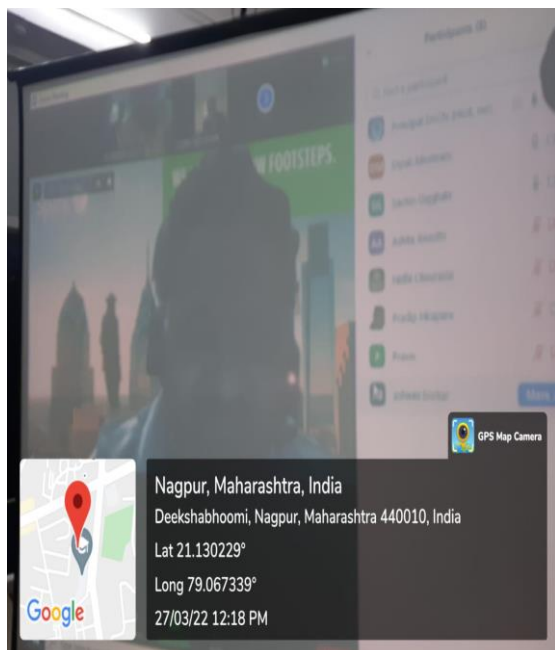

Brief Report:

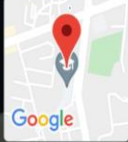

Department of Biochemistry and Biotechnology, Dr Ambedkar College, Deekshabhoomi, Nagpur had organised a departmental alumni meet for both UG and PG alumni students. This meeting was held on 27th March 2022 from 11 Am to 2 PM via offline and online mode. Many departmental old and new alumni were attended the meeting. We made a special online arrange for those alumni who were in the abroad and in the various region of the country. The programme was chaired by the Principal of the college Dr Mrs. Bhuvaneshwari Mehere and co-ordinated by Dr Utpal Dongre (HOD) and all teaching and non-teaching staff members of the department. We welcome all alumni by offering flowers and a small token of appreciation. In the meeting we discussed about the development and the progression of the subjects and the department. However, the placement of new pass out students of the department was the prime agenda which we all discussed in detail. The positive outcome of the meeting was discussed with the students. Later on Dr Ravi Satpute (Scientist, DRDO), Dr Vinod Sonpipare (Scientist, GMC, Nagpur), Dr Dipak Meshram (Scientist, University of Cambridge, Cambridgeshire UK), Dr Sachin Gajghate (Marlton New Jersey, USA) and many other alumni have guided departmental staff and students. Total 18 alumni from worldwide and 15 teaching and non-teaching staff have attended the meeting.

Feedback:

Dr Ambedkar College, deekshabhoomi, Nagpur

Department of Biochemistry and Biotechnology

Alumni Meet 2022

Feedback Form

Name: Nisha Dadas Mohod

Batch: 2016

Subject: Biochemistry.

How you came to know about the programme: Through my colleagues and initiation from college. (online)

How you can help in the uplifting of the department:

By informing about vacancy and by conducting certain workshops and training for students.

What you will suggest students about the placements

I will suggest that for placements students should start preparing for entrance during their studies and should have complete practical & theoretical knowledge of their particular subject.

How much you will rate this programme on the scale of 10.

9

What changes did you notice in the department:

There were many changes from well qualified and experienced teaching staff, modified laboratories, no. of books and instruments.

Any suggestions:

Alumni Meet 2022

Feedback Form

Name: JAYISHA S. DHARGAWE

Batch: 2019-2021 (M.Sc. BIOCHEMISTRY)

Subject: BIOCHEMISTRY

How you came to know about the programme: ^{through the} ~~group~~ ^{whatsapp} "Bio placements"

How you can help in the uplifting of the department:

Form an alumni club or society, where if each person could donate as little as 50 ₹, it would still compound to a significant amount. Holding seminars for ^{students} guiding.

What you will suggest students about the placements:

After graduation, students can apply for various examinations such as SET, NEELCSIR-NET, GATE, DBT etc. The students could engage in research projects that last for around a year, as well as summer internship programs at various research institutes such as NEERI (EB60, HTL).

How much you will rate this programme on the scale of 10.

10/10

What changes did you notice in the department:

Addition of two more ^{well ventilated and spacious} labs. Addition of an staffroom. New equipments in the department laboratory and new books at the department library.

Any suggestions
