### Report on Animal Cell Culture Workshop

Date 12<sup>th</sup> April 2022

#### Dr Ambedkar College, Deekshabhoomi, Nagpur

#### Department of Biochemistry and Biotechnology

#### Notice

Department of Biochemistry and Biotechnology is organizing a **training programme for non-teaching staff** of the department on **Animal Cell Culture Laboratory Maintenance and Plant Tissue Culture Laboratory Maintenance** through offline mode. Please follow the given time table for both workshops and attend the same.

S R	Name of the Workshop	Date	Time
1	Plant Tissue Culture Laboratory Maintenance	11 <sup>th</sup> April 2022	2 PM to 3 PM
2	Animal Cell Culture Laboratory Maintenance	12 <sup>th</sup> April 2022	2 PM to 3 PM

  
HOD 03/04/2022  
HEAD  
DEPARTMENT OF  
BIOCHEMISTRY & BIOTECHNOLOGY  
DR. AMBEDKAR COLLEGE,  
DEEKSHABHOOMI, NAGPUR

## Brief Report:

Department of Biochemistry and Biotechnology, Dr Ambedkar College, Deekshabhoomi, Nagpur, organised a 1 day training programme for Non –teaching staff of the department. This programme was conducted on **12<sup>th</sup> April 2022**. All non-teaching staff members were attended the programme. Dr Utpal Dongre, Head department of Biochemistry and Biotechnology, Dr Ambedkar College had trained the staff members about “**Maintenance of the animal cell culture laboratory**”. In this training Dr Utpal Dongre informed non-teaching staff about the safety and precaution measures of animal cell culture methods. This is a biologically hazardous laboratory, involves the use of UV light, CO2 cylinders, biological waste etc. Dr Utpal Dongre had trained all staff members about each instrument and discard system of biological waste generated during the experiments. Mrs. Leena Kamble, Mr AVinash Chauhan, Mr. Vishvanath Bhaisare, Mr. Lovekosh Rathod and Mr. Khalatkar were attended the programme.

## Glimpses of the programme:

**Feedback:**

**Dr Ambedkar College, deekshabhoomi, Nagpur**  
 Department of Biochemistry and Biotechnology  
 Animal Cell Culture (ACC) Non-Teaching Lab Training 2022

---

**Feedback Form**

Name: LOVEKUSH RAM RATHOD

Department: BIOCHEMISTRY AND BIOTECHNOLOGY

Did you have prior information about ACC and its instrumentation?  Yes/NO

Did you get new information about the animal cell culture laboratory?  Yes/NO

Did you get the knowledge about the instruments of the laboratory?  Yes/No

Did you get information about safety measures in animal cell culture laboratory in detail?  
 Yes/NO

After this programme did you get the confidence to work in this laboratory?  Yes/ No

Can you manage and handle students in this laboratory after this workshop?  
 Yes/No

Any suggestions:
