DEEKSNHABHOOMI, NAGPUR

DATE: 12 MARCH 2019

A Guest Lecture on Guidance and Counseling was organized by the Department of English under the banner of English Literary Association on 12 March 2019. Resource Person for this lecture was Ms. Mangala Waghmare, Department of Psychology, DR. AMBEDKAR COLLEGE, DEEKSNHABHOOMI, NAGPUR. The programme was interdisciplinary in nature.

Ms. Waghmare was welcomed by Dr. Mrs. Pallavi Chopde (Head, Department of English). Introductory remarks about ELA and activities of Department of English were made by Dr. Pallavi Chopde.

Ms. Waghmare began her lecture with preliminary information about the subject and explained the terms such as Counseling and Guidance. She wanted everyone to know their own potential and capacities. It is the potential that drives us to a particular goal. She said that, students should identify their interests first and then pursue their academics in particular. Not all the students have similar qualities and interests and therefore there is no need to copy others.

There should be a proper plan to have ones career in a particular field. Goal setting is a different area that needs proper counseling. There are different ways to set ones goal with relation to time and age. Success cannot be decided on an exacting space but that needs grooming and attention. She discussed some of the problems and issues raised by the participants.

The programme was compered by Ms. Anita Tirpude. Dr. Shailesh Bahadure, Mr. Manoj Andraskar, Ms. Ashwini Dhavas and a large number of students from Arts, Commerce and Science were present on this occasion.
