Department of Biochemistry and Biotechnology organized a camp on “**BLOOD GROUP DETECTION AND MEDICAL HEALTH CHECK-UP**” for all students of various streams (B.A, B.Com, B.Sc , BCA and Law Part -I) from 13<sup>th</sup> September 2022 to 19<sup>th</sup> September 2022 at departmental laboratory. Around 375 students participated in the camp and DR. Rahul Me here examined the students and counselled them about their health, hygiene and diet.

Medications for ailments are also provided by department to all students free of cost. All teaching and non teaching staff of department enthusiastically participated in the camp.

The records were maintained for negative blood groups which are rare and are required by blood banks. These records were also sent to Sainath Blood bank,Ramdaspath, Nagpur. During counselling of students doctor has recognized

Few students who were stressed due to some personal problems. So many students from villagers nearby found under nourished due to unhealthy food habits. During the interaction, he also realised that most of the students were addicted to electronic gadgets because of which they were facing psychological problems and losing their focus from studies.
