1. Was the workshop appropriate to your need ?

- Not at all
- Yes its a very much useful
- partially helpful

2. How well did the presenter(s) cover the subject matter?

- Not at all
- Very well

3. How were theory and practical sessions of workshop

- difficult to understand
- Easy to understand

4. Workshop helped me to learn about research design and how to apply statistics in Research

- strongly disagree
- Agree
- Strongly Agree

5. Do you think it was for your career in Research

- Yes
- No
- Maybe

6. Please provide any additional comments or suggestions you may have.

We are now able to prepare review paper and understand how to review literature
