Dr. Mrs. B. A. Mehere Principal	Dr. U.J. Dongre Head Department of Biochemistry & Biotechnology
Dr. S. R. Somkuwar Head Department of Botany	Dr. R.S. Bagde Head Department of Zoology

Department of Biochemistry and Biotechnology, in collaboration with Department of Botany and Zoology, Dr Ambedkar College, Deekshabhoomi, Nagpur organised an alumni meeting for its past students. The meeting was held on 18th December 2022 at 12 Noon based on availability of the maximum alumni members based on their votes on the alumni WhatsApp group. More than 25 members attended the meeting. The programme was chaired by the Principal of the college Dr Mrs. Bhuvaneshwari Mehere and co-ordinated by Dr Utpal Dongre (HOD) while organizing responsibility was taken care of by Dr. D. N. Begde and all teaching and non-teaching staff members of the department.

Agenda of Alumni Meeting

1. Discussion on formation of departmental alumni association
2. Course of work and vision for formation of such association
3. Alumni inputs for improvements in the department/college
4. Student-Alumni interaction for student motivation and discussion on future avenues
5. Alumni suggestions on development of new syllabi of courses more relevant for future
6. Alumni Success stories for student motivation

A general welcome all alumni members was done by offering flowers and a small token of appreciation. As per the agenda points discussed during the meeting about the formation of alumni association of the department, development and the progression of the subjects and the department. Most of the alumni members voiced their consent on execution of all the points detailed in the agenda of the meeting. Even the current students were made to interact with highly placed alumni members to understand the course of their career progression and to solve their queries regarding future career planning. Also, suggestions were sought from the alumni to improve the career opportunities of our present students. Dr. DVNS Suresh and Dr. S.R. Somkuwar from the department of Zoology and Botany expressed the formal vote of thanks on behalf of the three organizing departments.

Alumni Meet 2022

Feedback Form

Name: Nisha Dedare Mohad

Batch: 2016

Subject: Biochemistry.

How you came to know about the programme: Through my colleagues and initiation from college. (online)

How you can help in the uplifting of the department.

By informing about vacancy and by conducting certain workshops and training for students.

What you will suggest students about the placements

I will suggest that for placements students should start preparing for entrance during their studies and should have complete practical & theoretical knowledge of their particular subject.

How much you will rate this programme on the scale of 10.

9

What changes did you notice in the department:

There were many changes from well qualified and experienced teaching staff, modified laboratories, NO. of books and instruments

Any suggestions
