Report on

### Two Days Industrial Visit to Qualichem pvt. Ltd Nagpur

Department of Biochemistry and Biotechnology always take initiative to organised industrial visit to various industries to enhance industry academia interaction for UG and PG students as a part of annual program plan of department this year Department were organised Two days industrial visit to Qualichem pvt ltd. Nagpur on dated 22 &23 February 2023. In this visit 70 students of MSc Biochemistry and MSc Biotechnology were participated. This visit organised by organising co-ordinator Mr. Pradip Hirapure under the headship of Dr. Utpal Dongre . In this visit students were interacted with industry peoples and try to understand the various aspect of QA/QC, Method Development, Product Analysis apart from this students also learned the standard operating procedures of various highly sophisticated analytical instruments like HPLC-MS, ICPMS, Gass chromatography, Ion exchange chromatography, Atomic absorption spectrophotometer , Tablet dissolution Assay, Distillation unit , Rotary evaporator etc. students were asked some questions arises during this visit to expert persons and understand the all aspects . Students were very happy about this visit because they were highly benefited. Dr. utpal Dongre , Mr. Pradip Hirapure, Rita Lakkakul and Swati Chimurkar these faculty members also participated in this visit.

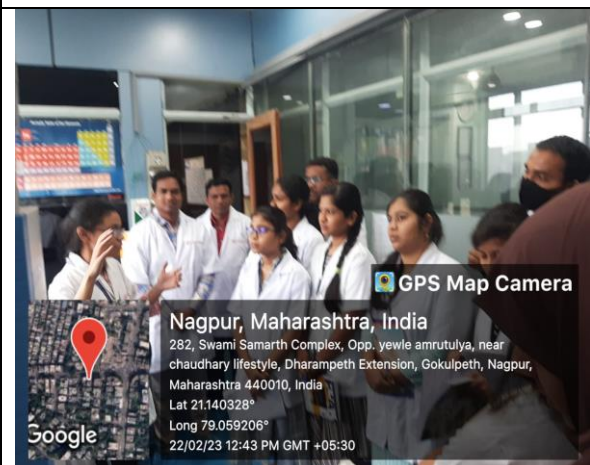

Students and faculty members at Qualichem Pvt. Ltd Nagpur

Demonstrations of GCMS by Industry Expert

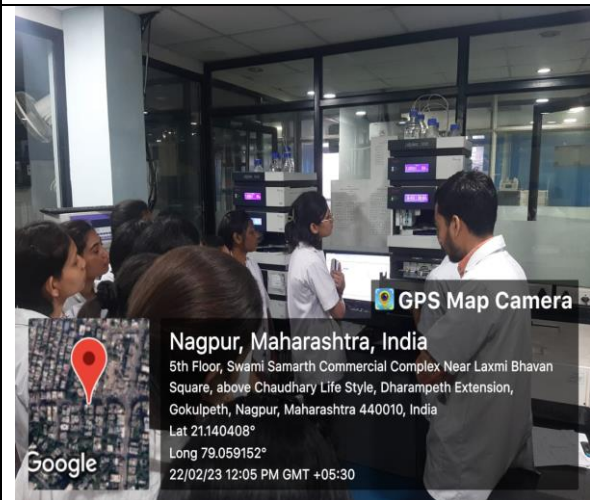

Dr. Shrawani Pande Director interacting with students

Demonstration of ICP-MS by Industry Expert

Demonstration of Atomic absorption spectrophotometer by Industry Expert

Demonstration of HPLC-MS by Industry Expert

Students interacting with QA/QC expert
