Report of Inter Collegiate Poster Competition on “World Earth Day 2022”
Department Of Chemistry Date: 22/04/2022

The **Chemistry Department** of the Dr Ambedkar College Deekshabhoomi Nagpur organized inters College postal competition on World Earth Day, dated 22 April 2022. 60 students from various colleges participated in the competition. Students from RTM Nagpur University colleges like M.P. Deo Dharampeth science college, Shivaji science college Nagpur, Hislop College Nagpur, Mohota Science College Nagpur and Jawaharlal Nehru College Wadi Nagpur and the host college Dr Ambedkar College Nagpur. Program coordinator Dr.V.M.Shivankar, Professor chemistry Department was in charge of the inter collegiate poster competition. This program was inaugurated by Dr.Mrs. B.A. Mehere Principal of the college. Chemistry Department faculties like Dr Mrs. D.Y. Panhekar, Dr.N.G.Telkapaliwar and Dr. Mrs. D.M .Borikar was present in the program. Students from different colleges were present in the auditorium. They displayed their poster for this competition and they were present in the auditorium. Two judges were nominated for this event . Dr. Nandkishor Meshram, Associate Professor physics Department and Dr.R.C. Sawant sir, Assistant professor Chemistry department worked as a judge for this Inter Collegiate poster competition.

Dr. V.M .Shivankar program coordinator was given the introduction of the program and explained the importance of this event. This world Earth day is celebrated every year worldwide to celebrate the environment awareness and to know the knowledge about the globe.

The theme of the World Earth Day 2022 is to invest in our planet calling for business to shift towards sustainable practices. This moment is expected to change the business climate, political climate and how to take action on the climate.

Earth Day 2022 is celebrated to spread awareness through various seminars, events and concerts. This modern environmental movement helps the world realize the need to nurture the planet or better living. The Earth Day mission is to diversify, educate and activate the environmental movement worldwide.

On Friday Prime Minister Narendra Modi posted on Twitter Earth day is about expressing gratitude to mother earth or kindness and reiterating our commitment to care for our planet. Earth day which is celebrated annually on April 22 is a reminder to protect the environment, restore damaged ecosystems and to live a more sustainable life
