---

Name of Program	: National Chemistry Week 2022 (Fabulous Fabrics)
Organised by	: American Chemical Society International Student Chapter, DACN
Venue of Program	: Room No. 1, Dr. Ambedkar College, Deekshabhoomi, Nagpur
Date of the Program	: 17.10.2022
Number of Participants	: 80 (UG and PG Students)

In order to spread the knowledge and to develop interest and curiosity among students about the incredible facts and studies of chemistry, ACS International Student Chapter, Dr. Ambedkar College Nagpur on the occasion of National Chemistry Week, ACS student chapter members organized FABULOUS FABRIC 2022. ACS student chapter members prepared presentation on the common fabrics which we use in our daily life.

Both PG and UG students of Chemistry, Biotechnology and Biochemistry of Dr Ambedkar College, Nagpur took part enthusiastically in the fabulous fabrics program. Chapter students had given demonstration of power point presentation about the chemistry background and applicability of different types of fabrics like Rayon, Chiffon, Velvet, Polyester, and Spandex to the students. They also explained their chemical properties and played various types of quiz and games making the session more interactive. The response of the students for this program was overwhelming.

ACS chapter students were guided and supervised by Dr. Deepa Panhekar, HOD Chemistry and Head, ACS Intl. Student Chapter, DACN. Dr R. C. Sawant and Mr. Parag Panse provided assistance to the activity.

**FABULOUS FABRICS**

Che-MISTRY is not all a MYSTERY ... Actually it is easy  
 To find it in many aspects of your day to day life.  
 We can find it in the air we breath, the food we eat,  
 The medicine we take, the cosmetics we use...  
 Our body is made up of chemicals and also the emotions we fe  
 are due to these chemicals. ..  
 Vegetables and fruits are also coloured due to these chemicals  
 Like tomato is red due to Lycopene  
 So let us try to understand the magic of chemistry. . And  
 here is your golden Opportunity to learn mind - blowing  
 Things about chemistry.....Our ACS members will help you to  
 understand the magic of chemistry....
