#### **INTERNATIONAL YEAR OF PERIODIC TABLE**

#### **CHEM-HUNT 2K19**

**12<sup>TH</sup> MARCH 2019**

ACS International Student Chapter Charter, Dr Ambedkar College and Chemical Society, Dept. of Chemistry jointly celebrated International Year of the Periodic Table. Participants were welcomed by Head of the Chemistry Department and Faculty Advisor, ACS International Student chapter, Dr. Mrs. Deepa Panhekar. She informed the participants about year 2019 as the 150<sup>th</sup> anniversary of the publication of Mendeleev's Periodic Table of Chemical Elements in 1869. Dr Deepa Panhekar explained the role of ACS in promoting excellence in chemistry.

Total 40 students participated in this event. Ms. Manashree Dongre provided details of the first round of elimination. In this round, each group was given a set of questionnaire. Out of 40 students, 20 students were selected for further rounds. These 20 students were further divided into 4 groups. Each group consisted of 5 members. First riddle was given by our volunteers to each group. With the help first riddle, participants moved towards second one. Riddles were kept in such a way so that they were interconnected. Final destination was achieved by one of the group. The entire space in Chemistry Department was used by students for this activity.

Further, Chief Guest Dr. B. J. Ghiya was introduced by Dr. Mrs. Deep Panhekar.

Dr. B.J.Ghiya , was Emeritus Scientist (UGC) Chemistry and Ex Professor at Institute of Science, Nagpur. In the field of research, he designed, synthesized and evaluated organic compounds in search of Anti-Cancer, Anti-AIDS, Leprosy, Tuberculosis, Drugs and Pesticides. Dr B J Ghiya had collaborations with **Health Research Institute, Bethesda, Maryland, USA** and **T. B. Research centre, Birmingham, U.S.A.**

Dr. B.J. Ghiya congratulated Chemistry Department for getting Award of ACS International student chapter and he praised ACS and Chemical Society Members for

successfully organizing the CHEM-HUNT event for celebrating IYPT 2019. He explained the importance of Periodic Table.

Certificates and prizes were distributed to the winners. Winners were from B. Sc Sem VI, **Mr. Vinayak Joshi, Mr. Vaibhav Shahare, Mr. Sarng Khandalkar, Mr. Shubham Tembhare** and **Ms. Anagha Juare**. Other Participants were awarded participation certificates.

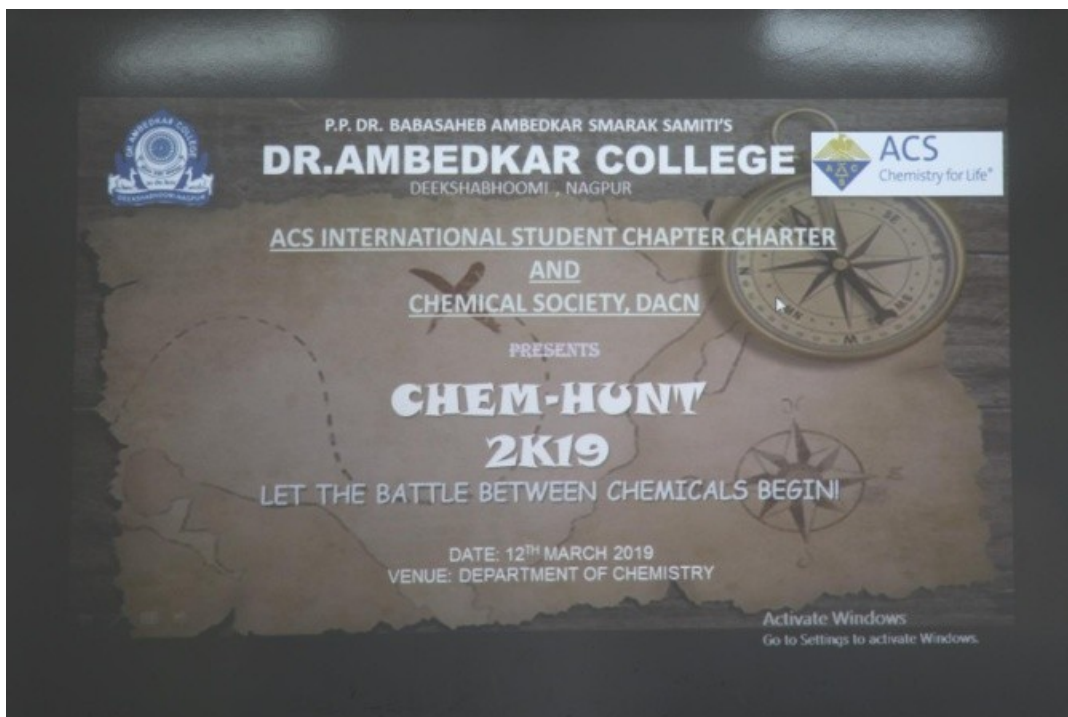

**Ms. Himani** brought laurels to college by winning two intercollegiate competitions. She won **Second Prize** at Intercollegiate Chemistry Seminar Competition 2018 organised on 27<sup>th</sup> Sept. 2018 at Hislop College, Nagpur. She won **Third Prize** in State Level Seminar Competition organized by Seth Kesarimal Porwal College of Arts, Science and Commerce, Kamptee on 22<sup>nd</sup> Feb 2019. Ms. Himani was felicitated at the hands of Dr B J Ghiya for her achievements.

Following ACS members and Chemical Society Members worked hard to make the programme successful.

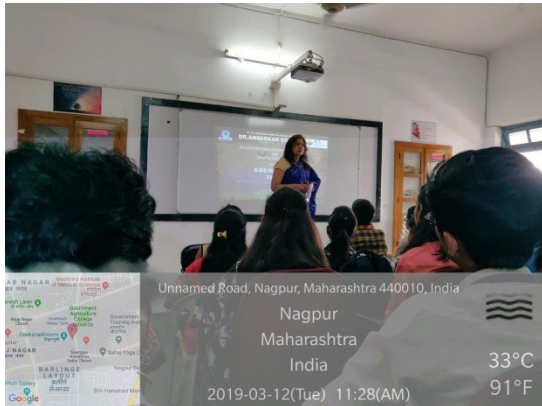

Publicity of the event was done by Ms. Nikita Patle and Ms. Layashree Dhargave.

Questionnaires were prepared by Mr. Rahul Bisen, Ms. Sharvari Kulkarni, Ms. Tejaswini Hinge, Mr. Sarang Kamble and Ms. Pranali Khadse. The event was conducted by Ms. Richa Jaiswal, Ms. Prerana Bhojar, Mr. Luv Gupta and Ms. Manashree Dongre. Vote of thanks was delivered by Mr. Sarang Kamble.
