Webinar for Chemistry Students

on

“Orientation Towards IIT-JAM Examination”

Resource Person: Mr. Muneshwar G. Nandeshwar

16th January 2021

REPORT

Under the aegis of Chemistry Alumni Association & American Chemical Society (ACS) International Student Chapter, DACN; Department of Chemistry organized a Student Alumni Interaction Program on “Orientation Towards IIT-JAM Examination” on **16/01/2021**. A responsibility to motivate & guide the UG Students with chemistry as one of their subjects, was taken by Mr. Muneshwar G. Nandeshwar, a resource person for this webinar session. He was welcomed & introduced by Prof. Mrs. Deepa Panhekar, Head & PG Coordinator, Faculty advisor- American Chemical Society (ACS) International Student Chapter.

Mr. Muneshwar G. Nandeshwar has completed his M.Sc. Chemistry and pursuing his Research as a Senior Research Fellow from IIT Hyderabad. He is not only a good researcher but he is an Alumni & outstanding Student of our college.

Mr. Muneshwar Nandeshwar started this session with the introduction to IIT-JAM examination. He explained the pattern of the examination in detail and also gave information about different IITs, NITs and IISER institutions who offer M.Sc. and Ph.D. as a dual degree programme. He further introduced IIT-JAM syllabus to students and provided valuable information of related topic in detail. He also motivated students by asking a question like how to prepare for IIT JAM and what kind of strategies student must follow? Then, he further guided student to have positive attitude towards these examinations and emphasized to Prepare smartly with hard work, which is the key of success. He also elaborated on how to solve question paper of IIT JAM and discussed list of reference books for useful M.Sc. and preparation of IIT JAM competitive exam. At the end of the lecture he interacted with the students and tried to solve many queries and their issues regarding such competitive examinations in satisfactory manner.

Miss. Swarnima Burande conducted this session. Miss. Sneha Bhurse proposed vote of thanks.

Student members who made this webinar successful are: Sneha Bhurse, Ankita Khonde, Swarnima Burande, Trupti Sawant, Rashmi Mokal, Janki Parawadiya, Janhavi Gawande, Aishwarya Ashtankar, Harshal Nakade, Badal Kathane, Shriya Thakre, Anushka Chichmalpure,

Gurjeet Kaur Gill, Himani Meshram and Prisha Waghmare; & Faculty Members Dr. R. C. Sawant and Mr. Parag Panse.

The program generated good response from other states as well. Around 110 students attended the program .

Image: Brochure of the event “Orientation Towards IIT-JAM Examination”:

The brochure features a white background with a blue border and a faint molecular structure pattern. At the top, there are four logos: the Dr. Ambedkar College logo, a gold 'Outstanding' award badge, the Department of Chemistry logo, and the Chemistry Alumni Association logo. Below the logos, the text reads: 'Dr. Ambedkar College, Deekshabhoomi, Nagpur', 'American Chemical Society (ACS) International Student Chapter', 'In collaboration with Chemistry Alumni Association, DACN', and 'ORGANISES'. The central focus is a laptop screen displaying the title: 'Webinar for Chemistry Students Orientation towards IIT JAM'. Below the screen, a calendar icon indicates the date and time: 'SATURDAY, 16TH JANUARY, 2021 3:00 P.M.'.
