Report

An exclusive webinar session for students was organised by ACS (American Chemical Society) International Students' Chapter - Dr Ambedkar College on the topic "What after B.Sc.?" on 13th July 2021, which was conducted through Zoom platform. The webinar was conducted to provide guidance to students for making decisions on selection of appropriate career path based on their skills and knowledge. The registration link was provided to the students three days prior to the event. More than **150 +** students registered for the webinar for gaining expert advice from the specialist.

Ms. Sudeepta Mukherjee completed her B. Tech in Metallurgical & Material Engineering from VNIT (Visvesvaraya National Institute of Technology), Nagpur and is currently pursuing her Ph. D. from Indian Institute of Science (IISc), Bangalore. Her area of research is 'Ni-Rich High Entropy Alloys for High Temperature Aircraft Components'. She is the recipient of the prestigious Prime Minister's Research Fellowship (PMRF) of Government of India in December 2019. She guided the students about various entrance exams and fellowships related to higher studies and how to prepare for them. She also provided information on importance of her research work.

Initially, Ms. Sudeepta gave a brief introduction about her area of research. Some salient points which were discussed in the webinar:

- Ms. Sudeepta gave an overview of all career options after B.Sc. like MBA, MCA, IIT JAM also internship and jobs etc. and discussed about careers, which students can choose according to their interest, skills and capabilities.
- The session provided the students' information about jobs opportunities in public sector, government sector and also private firms. Discussion was held about the variety of options available other than MSc like MBA, PGDA, also career in teaching such as B.Ed., etc.
- Ms. Sudeepta discussed about entrance examinations like JAM, CAT, GATE, etc for securing admissions in the top colleges in India. She also made available informative data about all the entrance exam according to the courses.
- She also introduced the top institutes like DU (Delhi University), FMS (Faculty of Management Studies), IIM (Indian Institute of Management), etc which offer different courses based on their own criteria of eligibility.
- She explained about different types of fellowships and entrance exams for national as well as international universities.
- She also explained about different career options available after M.Sc and also informed about career in psychology.

Brochure for the webinar was made by ACS members Himanshu Bathav and Himanshu Dhawade. ACS member Swarnima Burande created the registration link and feedback form link. ACS member Ritu Patle proposed vote of thanks. ACS members Srushti Wandhare and Vrushali Khadatkar prepared the report about this webinar.

The webinar took place under the guidance of Prof. Dr. Mrs. Deepa Panhekar, Head of Department & Faculty Advisor ACS-DACN. Program was attended by Department Faculty members Dr. Ratnadeep Sawant, Prof. Parag Panse and all the ACS members. Himanshu Bathav hosted the entire session whereas Anisha Rokade welcomed all participants and guest to the webinar and also introduced Ms.Sudeepta Mukherjee as event speaker. Webinar was attended by around 130 UG and PG students. Principal, Dr Mrs Mehere congratulated the Chemistry Dept. on successfully organising the webinar.

The brochure features a light blue and green background with decorative molecular models. At the top left is the logo of Dr. Ambedkar College, Nagpur. Next to it is the ACS Intl.
