  - c) Exchange of faculty.
  - d) Exchange of students: undergraduates.
  - e) Conducting competitions, collaborative projects and research activities.
  - f) Conducting Special lectures and organizing symposia.
3. The terms of cooperation for each specific activity implemented under this MOU shall be mutually discussed and agreed upon in writing by both parties in a separate

agreement, prior to the initiation of that activity. Any such implementation agreements will form appendices to this memorandum of Understanding.

4. The development and implementation of specific activities based on this Agreement will be separately negotiated and agreed between the faculties, schools or institutes, which carry out the specific projects.
5. Financial and/or funding considerations shall become the subject of specific discussion and agreement within the framework of a separate implementation agreement. No financial commitment whatsoever, on the part of either signatory to this general document, is intended or implied.
6. It is understood that the implementation of any of the types of cooperation stated in clause 2 shall depend upon the availability of resources and financial support at the institutions concerned.
7. Should any collaborative research activity under this Agreement result in any potential for intellectual property, both institutions shall seek an equitable and fair understanding as to ownership and other property interests that may arise.
8. Each institution shall designate a liaison officer to develop and coordinate the specific activities agreed upon. The designated liaison officers for this Memorandum of Understanding are:

The PARTNER INSTITUTE shall provide the following information in respect of every student of CPBFI

1. **Full Name:**
2. **Gender:**
3. **Academic qualification:** If already graduate mention the degree. If pursuing graduation, mention the degree for which studying.
4. **Status:** Mention "Complete" if the candidate is already a graduate. Mention "Pursuing" in case of final year students.
5. **Date of Birth:** in DD/MM/YYYY format
6. **Mobile Number:**
7. **Email Address:**

**Annexure 2: Methodology for Calculating Overall Attendance of the Batch**

The steps and formula for calculating overall attendance are as under.

1. Enrollment: Number of students who have registered and paid fees for CPBFI
2. Drop-outs: Number of students who stopped attending CPBFI during the batch
3. Regular students: Enrollment minus Drop Out
4. Total available student days: Number of regular students multiplied by total duration of CPBFI (number of days. E.g. 40 days)
5. Actual student days: Sum of days attended by each regular student.
6. Overall attendance (%) = Actual Student Days / Available Student Days X 100

Example: In a CPBFI batch 43 students registered and paid fees. By end of first week 3 students stopped attending the batch. The batch was conducted for 40 days. Out of the 40 regular students – 10 attended every class; 15 attended for 35 days, 10 attended for 33 days and 5 attended by 30 days. Overall attendance will be calculated as under.

Enrollment: 43

Drop-out: 3

Regular students: 40

Available days: 40 X 40 i.e. 1600

Actual days: (10 X 40) + (15 X 35) + (10 X 33) + (5 X 30) = 400 + 525 + 330 + 150 = 1405

Overall attendance: (1405 / 1600) X 100 = 87.81%
