

POLICE STATION VISIT REPORT

Place of Visit: Bajaj Nagar Police Station, Nagpur.

Date of Visit: 5th March, 2020

Number of students: 100

On entering the police station we were accompanied by the Police Inspector Shri. R.A Kshirsagar, who was kind enough to take out his time and explain to us about the different departments and their working and also walked us throughout, the police station. The police officials spoke to us about how they function and explained to us about the activities undertaken by the police station under their jurisdiction.

Following were the duties to be performed by the police in their respective areas:

Controlling traffic

Women protection

Maintaining peace and tranquility

Maintenance of law and order

Arresting the anti-social elements

Controlling criminal and suspicious activities

Preventing the crime

Physical Observations

1) Reception: On the left hand, as we entered the main building inside the station, there was a reception. It was headed by a lady constable. It is a place from where the complaint is directed to the respective duty officer. No FIR is lodged in this section only the entries are made.

2) Women Help Desk: To make the women feel secured and comfortable, a separate Women Help Desk has been created. A lady constable is present at this help desk which deals with the women who are either complainants or needs some information.

3) Duty Officer: Duty officer is a person who lodges the FIR and tells the respective officer about the report. He maintains the daily diary and files entry in them. In case of cognizable offence, he lodges FIR (First Information report) while an NCR (Non Cognizable Report) is filed in case of non cognizable offences. He also maintains the PCR calls.

4) Record Room: All files are maintained here. The record of various offences and there details, PCR call record, bail register, FIR record and other information are maintained here. The registers are given number and are designated by those numbers.

5) Computer Room: The police station has now become advanced as compared to earlier. All the data and the police records are now saved in a computerized form instead of managing it in files and papers. The computers and other electronic machinery present in the police station should be latest and well-advanced and police officers must be properly trained about their functioning.

6) Police Lock-Up: There are separate lock-ups for male and female. A proper sanitation facility is provided. Rooms have sanitation facilities but no switchboards or fans, nails or any sharp edges which might help them commit suicide or harm themselves in any form.

Around 100 students were part of it along with faculty members Dr. Pratima Lokhande, Ms. Shilpa Rathod and Advocate S.S. Bhoyar . The police station visit exposed the students to acquaint with the structure of the police station and the nature of duties performed by the police officers and their role in the contemporary society with changing trends of crime and criminal tendencies.

DEPARTMENT OF LAW

New Consumer Protection Act, 2019 was passed due to ambiguities and complexities in the Consumer Protection Act, 1986. It replaced the Consumer Protection Act, 1986. The new act was passed to strengthen consumer rights. The act defines six consumer acts namely right to safety, right to be informed, right to choose, right to be heard, right to consumer education and right to grievance redressal. The new Consumer Protection Act 2019 seeks to revamp the process of administration and settlement of consumer disputes, with strict penalties. It also envisages simplifying dispute resolution process, by Mediation and e-filing of cases. The need for empowerment of consumers as a class cannot be over emphasized and is already well recognized all over the world. There is an urgent need to promote General Awareness of the rights of the consumer by encouraging consumer education and supplying information. In this backdrop, the **ONLINE QUIZ titled, "Awareness Campaign on Consumer Protection Act 2019"** was organized by **LEGAL AID CLINIC** through Google Quiz Form on **24th December 2020** to encourage the students to widen their knowledge about different aspects of **Consumer Awareness, Consumer Rights, New provisions of the Act, Redressal and Enforcement machinery**. Total 24 students participated in the quiz from LL.B. Three years Course and BA.LL.B. 5 Years Course. The quiz was made open till 6.00 PM on 25th December 2020. The result of the Quiz Competition was declared on 30th December, 2020. Top Three winners of the Quiz Competition have been selected on the basis of correct answers and minimum time taken to answer the questions on online Google Form. REPORT ON ONLINE WORKSHOP

The Legal Aid Clinic of Department of Law, Dr. Ambedkar College, Deekshabhoomi, Nagpur in association with CSIR NEERI organized online workshop on 23rd December 2020 at 11.30 AM. The theme of the event was ‘Benefits of Green Energy to Environment and Society’ which focused on importance of Green energy and its emphasis on social, economic and environmental dimensions of development for the students of LL.B. 3YC and BA.LL.B 5 YC. It also took into consideration the importance of environmental concern and awareness regarding the conservation of green energy benefits to society.

The webinar was graced by Dr. Nitin Labhsetwar who was the Guest speaker. He is a Chief Scientist and Head of Energy and Resource Management Division and has over 32 years of research experience in environmental and energy related research.

The event commenced with the introductory remarks given by Dr. Pratima Lokhande, Coordinator of Legal Aid Clinic. She introduced the Theme of the Event. After that Dr. H.V.Menon, Head Department of Law delivered the welcome address and stated the significance of the topic.

Dr. Nitin Labhsetwar began the session by analysing the historical background of Green energy, types of energy and concept of clean energy. In addition to this, he shed light upon life cycle assessment, Resource efficiency and recent Covid 19 related innovations. He also illustrated environmental challenges and stressed upon energy saving and conservation. He also pointed out that more law graduates are required in environmental fields and also stated that there is a scope for new innovations and we need to look in to carbon footprints of all resources we consume. After the speaker concluded, the conference was followed by questions by students which were about the concern of Green energy

The program came to an end by a vote of thanks being delivered by Mrs. V.A. Sukhdeve where she expressed her gratitude towards Guest speaker Dr. Nitin Labhsetwar, Dr. H.V.Menon, HOD and Dr. Pratima Lokhande, Coordinator of Legal Aid clinic who has conceptualized this online Workshop.
