

Dr.Ambedkar College, Nagpur

Department of Statistics

Welcome Address (9th September, 2017)

The Department of Statistics organized a welcome function for B.Sc.-I students on 9th September, 2017. The activity was intended to motivate, encourage and energize the students for their academic and extracurricular endeavors in the department. The activity also aimed at improving the awareness of students regarding scopes and career opportunities the subject Statistics has to offer. .

During first phase, Prof. R. V. Patil gave a brief introduction of the department and its participation in various statistical activities organized by the Statistical Society of Dr. Ambedkar College during this session. Some information was imparted to the students about extracurricular activities organized in the college.

The second phase of the program was centered on academic and career scope of the subject. The students were informed about the options available for higher education in the field of Statistics. Some information about institutions of national and international repute offering such higher studies was given. The job opportunities both in the private as well as public sectors were discussed with the students. The option of self-employment was also highlighted. Through this phase the students were reassured about their decision of selecting statistics as one of the subjects.

Mr. Patil, HoD delivering Welcome Address
