## Department of Statistics

### STAT-FEST 2017-18

The Statistical Society organized a STAT-FEST on 31<sup>st</sup> March & 1<sup>st</sup> April, 2018. The objective behind organizing such activity is that the students must experience fun-filled learning while making preparations for such activities and enrich their knowledge of the subject in addition to other aspects such as personality development. Communication skills, overcoming stage-fear, inculcating spirit of team-work etc.

#### **CULTURAL EVENT COMPETITION (12<sup>th</sup> April, 2018) in STAT-FEST 2017-18.**

The students of Department of Statistics organized cultural event competition as a part of Stat-Fest. This event was organized after a long gap. Earlier during Stat-Fest only academic activities were conducted viz. Quiz Contest, Problem Solving Competition, Project Presentation and Poster Exhibition. The cultural events evoked an unprecedented response from student community. The enthusiastic students took lot of pains and invested a good amount of time and energy practicing for various events such as dance, singing, ramp walk and for planning various games. They enjoyed every minute of this event and participated in all activities whole heartedly.

## PRIZE DISTRIBUTION FUNCTION (13<sup>th</sup> April, 2018) in *STAT-FEST 2017-18*

Prizes are a constant source of enjoyment and reassurance for the participants of any sort of competition. Apart from this to keep the students responsive towards competitions it becomes important that the winners be felicitated at the appropriate time. With all these thoughts, it was necessary for the department to felicitate the efforts of the participants through prizes. To recognize the talent of the winning students and to inspire others to excel, a simple prize distribution ceremony was held on 13<sup>th</sup> April, 2018 in the department. The prizes were distributed at the hands of Dr. R. S. Bagde and H.o.D. R.V.Patil.
