## A Report

Department of Biochemistry and Biotechnology in collaboration with HR CELL of the Dr.Ambedkar College, Nagpur has organized a FREE MEDICAL CAMP on the occasion of WORLD DIABETES DAY. World Diabetes Day (WDD) was created in 1991 by IDF and the World Health Organization in response to growing concerns about the escalating health threat posed by diabetes. World Diabetes Day became an official United Nations Day in 2006 with the passage of United Nation Resolution 61/225. It is marked every year on 14 November, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922.WDD is the world's largest diabetes awareness campaign reaching a global audience of over 1 billion people in more than 160 countries. The campaign draws attention to issues of paramount importance to the diabetes world and keeps diabetes firmly in the public and political spotlight.

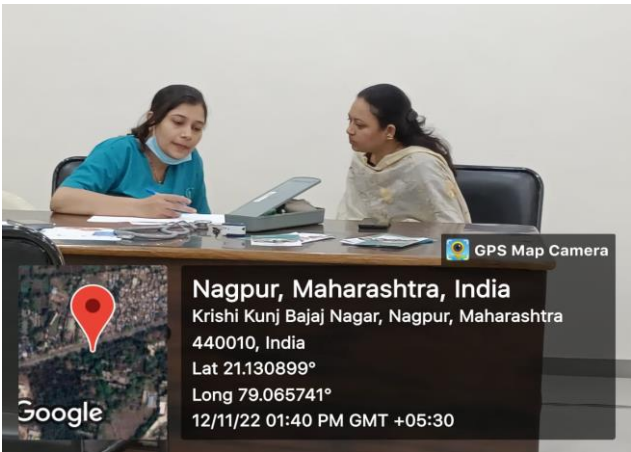

The World Diabetes Day campaign aims to be the:

- Platform to promote IDF advocacy efforts throughout the year.
- Global driver to promote the importance of taking coordinated and concerted actions to confront diabetes as a critical global health issue.

The programme began with the garlanding of the portraits of Lord Tathagath Gautam Bhudda and Dr.B.R.Ambedkar followed by welcoming of the guests.

Dr. Preeti Gupta, MBBS, DNB, FDFM , diabetic foot care consultant, Swasthyam Hospital, Neha Marodkar, Nutrition councillor, diabetic educator, MSc.
