Che-MISTRY is not all a MYSTERY ... Actually it is easy
 To find it in many aspects of your day to day life.
 We can find it in the air we breath, the food we eat,
 The medicine we take, the cosmetics we use...
 Our body is made up of chemicals and also the emotions we feel
 are due to these chemicals. ..
 Vegetables and fruits are also coloured due to these chemicals
 Like tomato is red due to Lycopene
 So let us try to understand the magic of chemistry. . And
 here is your golden Opportunity to learn mind - blowing
 Things about chemistry.....Our ACS members will help you to
