

Guest Lecture on "Guidance for UPSC Examinations"

A guest lecture on "Guidance for UPSC Examinations" was organized as a part of Co-curricular activity and Student Induction program at Dr. Ambedkar College on April 1st 2021. The invited guest speaker was alumni of the institute Ms. Divya Trivedi. The lecture was organized in online mode on Google meet.

The session started with welcome and introduction of Ms. Divya by the coordinator Dr Dhanashri Borikar. Ms. Divya has cleared UPPSC examination in 2020 and currently working as Commercial Tax Officer, UP Government. She is also preparing for UPSC examination and shared her journey and experience with students and informed that she had started the preparation from the first year of her graduation course itself. She was graduated with the subjects Chemistry, Biochemistry and Biotechnology from Dr. Ambedkar College. When asked about strategy for her success, she stated that everyone has its own strategy which suits him/her and one should always make own strategy rather than using someone's. She explained that NCERT books must be thoroughly read multiple times as they are the base of Advanced books and one should make notes from NCERT as well. She also disclosed her book list with the students for different subjects like history, political science, economics, languages etc. She also focused on the importance of newspapers and according to her, one should read newspaper in which she or he is comfortable. She also shared her interview experience and disclosed that she was asked wide range of questions in the interview and some of the questions were regarding personality aspects also.

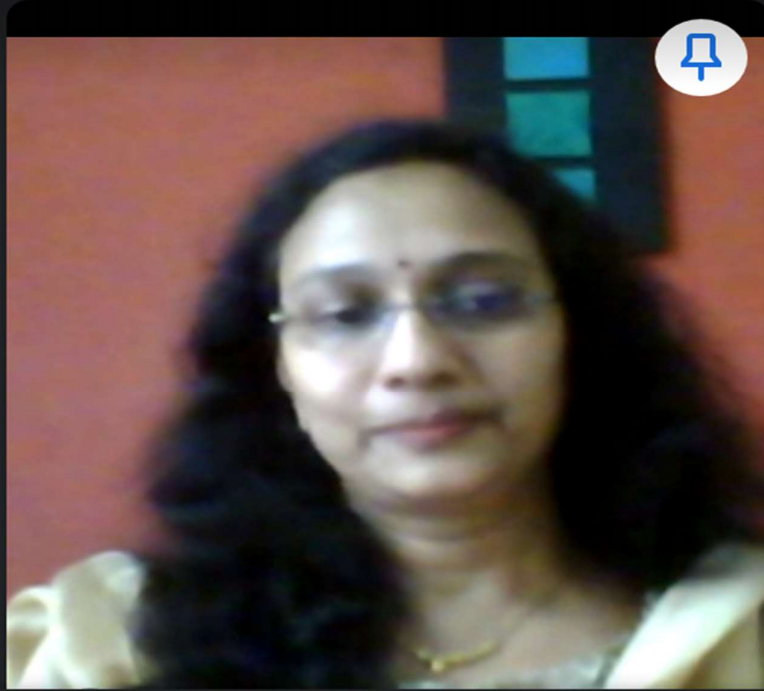

The session was well appreciated by students as it was really helpful for the students who are preparing for civil service examinations. The session cleared various doubts and difficulties of the students to a great extent. Towards end of the session students asked various question and doubts and got deep insight about the examination. At the end of the session, Ms. Divya wished every student best of luck and motivated every student to work hard to achieve their goals and offered her help in the future also. The session was attended by around students of Science stream and was well coordinated by Dr. D. M. Borikar. Principal Dr. B. A. Mehere and Prof. D. Y. Panhekar, Head of the department of Chemistry congratulated Ms Divya for her achievement. Faculty members, Prof. V. M. Shivankar and Dr. N. G. Telkapalliwar were also present during the event.
