## REPORT

A fun activity mainly aimed at Team building and fostering ties between the members of The Nouveau Corporates Club was conducted on 19<sup>th</sup> September 2022 at 10:30 a.m.

All the registered members of the club assembled in seminar room and the activity started with a welcome address by Dr. Pratima Lokhande, Vice Chair of The Nouveau Corporates Club.

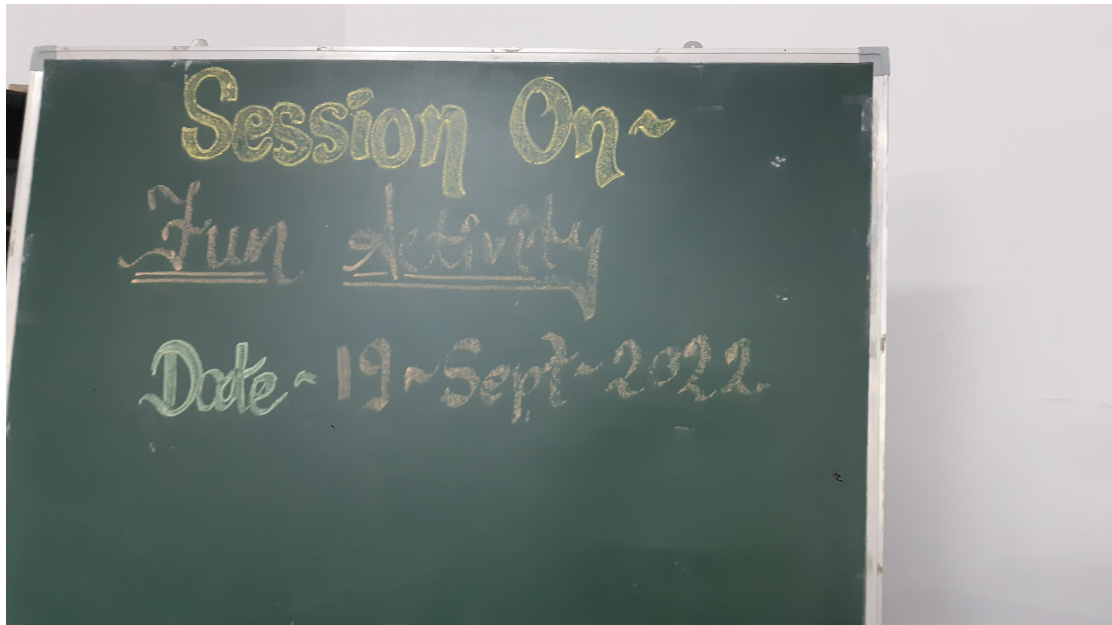

The activities were planned with time limit. All the activities planned for students will be helpful in Team bonding and also these activities improve workplace projects that involve teamwork.

This will help members understand each other's strengths, weaknesses, and interests and this understanding will help them even better together on future progress.

The First activity was designed to improve communication and how collaboration within a group can help solve difficult problems. By working together, teams can find the solutions that work best.

The Second activity was 'Pass the message game'. It demonstrates how the meaning of a message becomes distorted as it is told and moved on from one person to another as different interpretations are applied according to beliefs, preferences, knowledge and experience.

The activity was conducted by Dr. Pratime Lokhande, Vice Chair of The Nouveau Corporates Club and Ms. Anusha Patre, Acting Chair of The Nouveau Corporates Club. Students enjoyed a lot and participated enthusiastically. They learnt about creative thinking, decision making, coordination and team management.
