Report on Guest Lecture on Research Methodology

A guest lecture on 'Advances in Research' was organised online by Department of Physics, Dr Ambedkar College on 21/07/2023 at 2.00 pm.

The talk commenced with the welcome address by Head of the Department Dr. (Mrs.) A. N Wazalwar. Dr. A. R. Bansod, Asst. Prof. briefed the students about the guest lecture.

Prof B. M. Bahirwar is Professor, Dept. of Physics, G. N. College of Science and Has a very vast experience in teaching and research. He is member of Board of studies in Gondwana University. He told the students about the importance and need of research in physical science and also briefed about the recent and advanced fields. He stressed on experimental analytical tools and facilities available at various national laboratories and regional research centres. Students enjoyed the session very much and came up with a lot of questions.

The program was attended by around 61 students. All the students enjoyed the session because it was something new for them, which is out of regular syllabus. Coordinator of program Dr. N. S. Meshram interacted with the guest speaker. Dr. Mrs. P. U. Surkar looked after all the logistics of the program. The event was hosted by student coordinators of Rasika Makode and Manisha Raghuwanshi. Dr. Y. D. Choudhari proposed the formal vote of thanks.

FEEDBACK FORM
(Guest Lecture)

- 1) Name of the Student - Arjun Chandra Padhye
- 2) Class / Group - BCA Sem 1
- 3) Were you present for the guest lecture? Yes / No
- 4) What did you learn from the guest lecture?
We learn some new interesting topics and concepts about recent advances in physics.
- 5) Was it knowledgeable and interesting?
Yes, the guest lecture was very interesting and knowledgeable because it was very helpful.
- 6) Can we arrange this kind of guest lecture in future? If yes then what are the other required topic you would like to attend in guest lecture in future?
Yes, we can always search for the type of guest lecture we are interested in.
- 7) Your suggestions / opinion.
Time should be allotted and managed for question and answers.

FEEDBACK FORM

- (Guest Lecture)
- 1) Name of the Student :- Nehil R. Mahajan
 - 2) Class / Group :- BSC (Computer)
 - 3) Were you present for the guest lecture :- Yes / No
 - 4) What did you learn from the guest lecture?
Dr. Swainson sir motivates us about the career option in the Astrophysics and job option like software engineering.
 - 5) Was it knowledgeable and interesting?
Yes, it is interesting and knowledgeable as we learn something different from our subject. It is very interesting to list things about space.
 - 6) Can we arrange this kind of guest lecture in future? If yes then what are the other required topic you would like to attend in guest lecture in future?
Yes, I would highly recommend to arrange such type of guest lecture. About black hole and Astrophysics.

Your suggestions / opinion.

There should be power point presentation.

- (Guest Lecture)
- 1) Name of the Student :- Kaushik S. Ghoshal
 - 2) Class / Group :- BSC (Computer)
 - 3) Were you present for the guest lecture :- Yes / No
 - 4) What did you learn from the guest lecture?
From the guest lecture, Dr. Swainson sir motivates us about the career option in the Astrophysics and tells us about various job opportunities like in space science.
 - 5) Was it knowledgeable and interesting?
Yes, it is interesting and knowledgeable as we learn something different from our subject. It is very interesting to list things about space and career options and other job opportunities.
 - 6) Can we arrange this kind of guest lecture in future? If yes then what are the other required topic you would like to attend in guest lecture in future?
Yes, I would highly recommend to arrange such type of guest lecture. The guest lecture has to be in software engineering and about space and blackhole.

Your suggestions / opinion.

In the guest lecture as it motivates us to take part in physics and space science. I would love to attend this type of guest lecture in future.
