Dr. Ambedkar College
Deekshabhoomi, Nagpur- 10

Department of Law, Dr. Ambedkar College, Nagpur, organized its very competitive 'In-house Moot Court Competition' on 28/10/23 which was postponed due to heavy floods that occurred on 23rd September. It was organized by The SMCA (Students' Moot Court Association), this event marked the inaugural of the academic year 2023-24.

The students willing to participate got their moot problem upon registration, and seeing the performances, it is safe to say that they got to work straight away. As the tradition goes, the moot problem is based on the sensational and much-talked topic, the infringement of copyright through artificial intelligence, so as to encourage reading and research among the students about the same.

The memorials were collected on the 16th of September following which the written submissions were concluded. On 18th of September, the SMCA organized the 'draw of lots' and 'memorial exchange', wherein the teams got to know the side they would represent and the team they would argue against. To ensure that the participants would give their best, a small orientation program was also taken. It helped students understand the dos and don'ts that they needed to take care of, while before the Judges.

Adv. Suyog Deshpande and Adv. Tejas Deshpande, were invited as the Hon'ble Judges for the competition, whose insightful evaluation added immense value to the competition. Undoubtedly, the students were delighted to arguing in front of such knowledgeable personalities. The competition drew participation from eight enthusiastic teams of budding legal minds, including two mooters each.

It is appropriate to say that the SMCA left no stone unturned in co-ordinating the event. The student body showed excellent organizational skills under the guidance of the faculty in-charges of SMCA Dr. Mrs. Vaishali Sukhdeve and Ms. Sarika Kamdi. Lastly, and most importantly, the event was successful because of the constant support and supervision of Dr. Mrs. Varsha Deshpande and the Head of the Department, Prof. Dr. Mrs. H.V. Menon.
