DEEKSHABHOOMI, NAGPUR-10**

GUEST LECTURE- INTERVIEW TECHNIQUES

A special Guest Lecture was organized recently (11/01/2018) by the Department of English for students of Arts, Commerce and Science. The Guest Speaker was Ms. Smita Sasankar (Vaidya), visiting faculty at Matru Seva Sangh College of Social Work, Bajaj Nagar, Nagpur.

The programme was organized under the banner of English Literary Association run by Department of English in the college. The association conducts several such activities in the interest of learning community. The programme was presided over by Dr. P. C. Pawar, Principal. Dr. Mrs. Pallavi Chopde, Head, Department of English delivered introductory remarks on this occasion.

Ms. Smita talked over many issues that are highly required and expected on the side of every candidate who appears for different interviews in public as well as private sectors. She said that it is not only the external appearance of the candidates that impresses the panel of interviewers but the thought process and timely reactions in the form of responses to questions asked by experts. One must be genuine and simple in his talk and the behavior should be natural that suits one's personality. There is no need to make deliberate efforts because it looks artificial and does not support primary gestures. Knowledge of the industry or organization wherever one wants to appear for interview, current affairs as well as geography of places one is resident of is equally important. Students asked many questions also which were answered by Ms. Smita in an excellent way.

The programme was compered by Dr. Shailesh Bahadure while a formal vote of thanks was delivered by Ms. Anita Tirpude. Ms. Priti Singh, Mr. Manoj Andraskar, Mr. Nilesh Sarjare, Ms. Rohini Meshram were also present for the programme.
