“Student Interaction with the Alumni”

Date: 29th April 2023

REPORT

BCA Department organized a student interaction meet with the Alumni on 29th April at 12:30 pm to 2:00 pm in Dadashaeb Khumbhare Hall. Alumni from the very first batch 2009 passing till 2022 pass outs were a part of this meet. The motto behind conducting this meet was to let students know the career graph after BCA and the job opportunities in various sectors by the Alumni itself.

In this meet, the alumni discussed about how they opted for the campus placement just after BCA while a few opted for a PG course like MBA or MCA. Students had the background of working in IT companies like Wipro, CapGemini, TCS, FIS Global, Deloitte, Infosys, Tech Mahindra, Z-S associates, HRS group and so on. We also had alumni who opted to choose their career in banking sectors after BCA and are currently placed in Bank of Baroda, Bank of India, and Allahabad Bank. The Alumni discussed about their experience in different companies, the projects they have worked on, the designations they had and current technologies which the company is expecting from the fresher to work on. They also geared up the students to prepare for the Aptitude test which is the preliminary round for every student who appears for the campus placement. The students mainly focused on the following points:-

- What after BCA?
 - Placement or PG Course
- Is internship compulsory before placement?
- Which books to refer for Aptitude test?
- Can we opt for a distance PG Course while working in Company?
- Does the company provide with any course during our working?
- Which certificate courses shall we opt for while studying BCA?

The interaction session was successful as the students were receiving proper guidance and tips from the Alumni. This session turned out to be fruitful for those opting for placements as well as for those who are looking forward for a PG course. Introductory speech was given by **Dr. Prashant Yende**, HOD, BCA. The event was **coordinated by Mr. Vaibhav Bhagwat and Mrs. Priyanka Soitkar**. More than 90 students were benefitted by this event. Faculties Dr. Harshala Pethe, Mrs. Shama Khan And Mr.JavedShah.
