### About the Drive:-

- The placement drive was conducted for the final year students of BCA pursuing Semester VI on 28<sup>th</sup> April at 12.00 noon in Kumbhare Sabhagruha Auditorium.
- The basic requirement for this drive was students having knowledge about c,c++,java, Asp.Net, Oracle,PI/Sql.
- The BCA course is consisting of the above mentioned technical aspects which our students are already well versed.
- The basic objective of this drive was to hire students as trainees in various companies, which Avestan Company had tie up with, later giving them hands job experience in their respective fields.

### Process:-

- Students were asked to bring their updated resume.
- Students were scrutinised on the basis of their knowledge shared in resume and also a personal interview round was conducted.
- The students who cleared the first round were called for the second in the company itself.
- The second technical round will be conducted as and when scheduled by the HR team and the interns already working.
- Around 93 students from BCA, B.Sc Computer Science and M.Sc appeared in this campus drive.
- 61 students were selected for the second round.

The students who attended this placement drive were benefitted with the technical experience they had with the HR.

The students also realised that building their communication skills is also very important to share their knowledge.

The coordinator Mrs. Priyanka Soitkar, Faculty BCA, conducted this event under the able guidance of the Dr.Prashant Yende, HOD,BCA. Principal, Dr. Mrs. B.A.Meher and IQAC Coordinator Dr. Mrs. Deepa Panhekar was also present for the inaugural function of this placement drive.
