Subject: Seeking permission for industrial visit and Tourism development.

Res. Madam,

I, the coordinator of the Entrepreneurship Development Cell want to seek your permission for an industrial visit to **Aaral Industries MIDC, Umred, Nagpur**. The visit would be done on 22/11/2022. This visit might help the students in attaining good knowledge in desired fields making it easy for them to understand the practical working of the machinery. For the purpose of Tourism we have selected the spot, Seven Sisters hills, Perjagadh.

I ensure all students will definitely maintain the decorum at the place. I eagerly await your positive response as I have to inform all the students about the same.

Permission granted
Dr. D. H. Puttewar

Entrepreneurship Development Cell of Dr Ambedkar College, Deekshabhumi, Nagpur had organised a one day visit to Aaral Industries MIDC, Umred, Nagpur on 22 November 2022. The objective of the visit is that the students should attend good knowledge in the desired fields making it easy for them to understand the practical working of the machinery. The Managing Director of the company was Shri Dhiraj Gajghate. He along with his team workers very well welcomed us all in the industry. Then Shri. Dhiraj Gajghate interacted with the students. He gave information about how he started his industry. He told that in those initial days, he used to sale the products required in the hospitals like beds, X ray machines, operation theatre instruments etc. Mr. Dheeraj very well conveyed to all the students his story about how he started his business and inspired the students that money is not only the source to begin any company but a person must have strong will power, determination and he must be able to work hard in order to gain success in his or her life. He told students that in today's time the young person doesn't have patience. The very important thing as an entrepreneur is patience in order to reach to the peak of success. It's very essential quality of the entrepreneurs. He gave the information about his company in great detail. The company is having 10 workers and all the workers are doing different task right from the cutting till the final product. He hired his workers who were not initially trained but he himself trained. Initially he was only selling the products. He only acted as a tradesman but now he is also a manufacturer. He imports different parts from the aboard and then assemble them and sell it in the market. Now his company has a turnover of two crores rupees. The story told by Mr. Dheeraj was really very inspiring to the students. Students asked several questions to Mr Dheeraj which were very well answered by him. Then we all shifted to the manufacturing compartment where the workers showed us how they perform their task from beginning till the end product. Few of the students also showed their interest in performing the task demonstrated by the workers like cutting and polishing the object. The students enjoyed the visit very well. The visit was really interesting which was organised by Dr. Durga Puttewar, Assistant Professor from the Department of Commerce and Coordinator of Entrepreneurship Development Cell with the kind permission of Principal Dr. B. A. Mehere.

Nearly 141 students from different streams i.e B.A, B.Com, B.Sc, BCA were present. In this visit, Dr Anita Tirpude, Ms. Nidhi , Ms. Purva Satpute, Dr. Dashrath Wasnik were present.

Outcomes:

1. Students can start small scale industry.
2. Learned the prospects and scope of in small scale industry.
3. Studied the technique of small scale industry.
4. Students got the inspiration about self-employment and income generation.
