(Assistant Professor)

Entrepreneurship Development Cell of Dr. Ambedkar College Deekshabhoomi, Nagpur had organized a **demonstration on Flower Making from Waste Plastic** at 10.00 am to 02.00pm. on 25th April 2023 in the Room No. 01.

The Guest Trainer for the program was Dr. D. H. Puttewar (Coordinator of ED Cell). she said that the Entrepreneurship Development Cell of our college aims at the overall development of students. With this deliberate aim, several activities are organized to acquaint the students and one such activity is to develop in students the creative arts which will help them to develop the artistic quality apart from studies. It is one of the essential qualities that must exist in every student.. She taught the students how to make different flowers from waste plastic. She gave information about the different materials like Waste Plastic, waste wire thread, etc. required for the purpose of flower making. She beautifully arranged the flowers in the pot and also gave demonstration of bouquet made from the different flowers. Different questions were also asked by the students which were very well answered by her. The students also attended the program with much enthusiasm. The program was a great success and Total students was 126.
