Date: 17/11/2022

To,
The Principal
Dr. Ambedkar College,
Deekshabhoomi, Nagpur.

Subject: Seeking permission for industrial visit and Tourism development.

Res. Madam,

I, the coordinator of the Entrepreneurship Development Cell want to seek your permission for an industrial visit to **Aaal Industries MIDC, Umred, Nagpur**. The visit would be done on 22/11/2022. This visit might help the students in attaining good knowledge in desired fields making it easy for them to understand the practical working of the machinery. For the purpose of Tourism we have selected the spot, Seven Sisters hills, Perjagadh.

I ensure all students will definitely maintain the decorum at the place. I eagerly await your positive response as I have to inform all the students about the same.

Permission granted
18/11/2022

**PRINCIPAL
DR. AMBEDKAR COLLEGE
NAGPUR.**

Yours Sincerely
Puttewar
Dr. Durga Puttewar
Coordinator, ED Cell
DACN.

Entrepreneurial philosophy ultimately reduces unemployment rate, particularly educated youth. Examining tourists industry and tourism industry processes are the principal phase to empowering the educated youth to undertake tourism business. The tourism industry is viewed as the agent of change in economic and social changes. Tourism entrepreneurship eliminates societal problems, but surge the fiscal growth and development of a country, resulting to rise in country GDP. Employment has continually been a dominant subject in development. Employment is vital to successful and viable growth. The tourism business is one of the largest, fastest growing sectors. Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. The tourism industry is considered as an indispensable role in job creation.

In order to develop the concept in the minds of the students the Entrepreneurship Development Cell of DR. Ambedkar College, Deekshabhoomi, Nagpur has organised a visit to Makardhokla on 22 November 2022.

Makardhokada Dam, is an earthfill dam on Amb river near Umred, Nagpur district in state of Maharashtra in India.

Specifications:

The height of the dam above lowest foundation is 18.81 m (61.7 ft) while the length is 1,645 m (5,397 ft). The volume content is 652.87 km³ (156.63 cu mi) and gross storage capacity is 21,356.00 km³ (5,123.58 cu mi).

The students enjoyed the visit very well. The visit was really interesting which was organised by Dr. Durga Puttewar, Assistant Professor from the Department of Commerce and Coordinator of Entrepreneurship Development Cell with the kind permission of Principal Dr. B. A. Mehere. Nearly 70 students from different streams i.e B.A, B.Com, B.Sc, BCA were present. In this visit, Dr. Harshla Pethe, Dr Anita Tirpude, Ms. Nidhi Nakhale, Ms. Purva Satpute, Dr. Dashrath Wasnik were present.

Objectives:

1. To be aware of and understand how tourism development can affect the lives of people who lives in the tourist destination.
2. To make aware about how to start a new business in tourism sectors.
3. To know tourism entrepreneurship in Nagpur district.
4. To make students aware about the tourism economic development.
5. To make students aware about eco-friendly tourism concept.

Outcomes:

1. Students learned about how tourism development can affect the lives of people.
2. They gained knowledge about how to start a new business in tourism sectors.
3. Students learned about entrepreneurship about tourism in Nagpur district.
4. They learned about the tourism economic development.
