Time: **11:00 am - 1:30 pm**

No. of students Present: **144**

Chief Guest: **Dr B. Shrinivasan, General Manager, Regional Remote
Sensing Centre.**

On 4th October 2023 at Kumbhare Hall, the Physics Society Installation and Inauguration program provided a forum for physics enthusiasts to interact and exchange knowledge. The Program was hosted by Aditya K. Ruikar and Avani Y. Bankar. The program featured a variety of sessions, from captivating presentations to motivational student activities, all aimed at highlighting the wonders of physics. Impressive attendance was recorded at the event, which drew people from all walks of life, including students, and renowned faculty members. A solemn and symbolic garlanding of the portrait and lighting of the lamp, symbolizing the illumination that physics brings to the world, marked the start of the programme. The distinguished guest Dr Shrinivasan, General Manager, Regional Remote Sensing Centre, Nagpur who the chief guest of the function was then welcomed with flowers after that. Also, Dr Arun Suryavanshi, Scientist, Regional Remote Sensing Centre was the guest of honor. Dr. Mrs. A.N. Wazalwar, the Departmental head, and Dr. Mrs. B.A. Mehere, the Principal, each gave heartfelt and motivational welcome speeches that heightened the ambience and set the stage for the ensuing sessions intellectually stimulating discussions.

The Installation of the Physics Society was a significant event that symbolized the community's dedication to advancing physics. President Shrutika P. Patinge presided over a significant moment that marked the community's dedication to the advancement of physics: the installation of the Physics Society. It demonstrated cooperation and tenacity in pursuing the common objective of superior scientific achievement. Vice-president Shreyash D. Kachwah provided insight into the Aims and Objectives of the Physics Society during a session on its goals and objectives. It demonstrated a clear roadmap for future initiatives, instilling a sense of purpose in the attendees. The event featured presentations on recent advances in Physics by Assistant Secretary Sujal S. Kohale, mind-blowing facts by Pranjal S. Ganer, and a celebration of the brilliance of Nobel Prize

winner by Avani G. Jain. These speeches demonstrated the enormous influence of physics on the world, igniting the attendees' interest and inspiring them.

The event recognized students' talent and creativity through an engaging skit on Chandrayaan and ISRO. This not only demonstrated the students' abilities but also emphasized the value of encouraging budding scientists. Dr. G. Sreenivasan and Dr. A. Suryavanshi's engrossing speeches, which highlighted the day, enlightened the audience with their knowledge. Everyone in attendance was inspired and encouraged to think critically and creatively by the insightful talk that explored the limits of physics. Faculty members received recognition and congratulations for their contributions to the industry. As a result of being recognized for their commitment and labour, the community now feels more united and prouder of them. This felicitation ceremony was conducted by Arthav S. Tirpude.

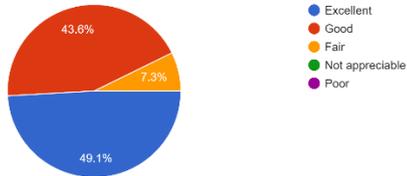

A heartfelt vote of thanks was given at the end of the gathering by Ayush O. Fendar to thank all the attendees, organizers, and participants. The event came to a close with a beautifully sung rendition of the national anthem, signifying pride in our country and our unity.
